From Chairman's Desk

Dear Members,

It is my great pleasure to extend heartfelt greetings to the readers of the Volume two - second issue of the Newsletter of IETE Chennai Centre. Chenlink Newsletter is aimed to showcase the activities of Chennai Centre and achievements of its members during every month.

I had the privilege for the last two years as Chairman and initiated, conducted many events with the help of all of you. I came across many people for the first time, and we got an opportunity to interact with and know each other. Recently, IETE Chennai center organized successfully IETE Flagship conference CHENCON 22 themed on Power of Artificial Intelligence & Machine Learning for Human Empowerment during May 20&21, 2022. President of IETE, Prof (Wg Cdr) P Prabhakar inaugurated the conference and joined the conference in physical mode at Sri Venkateswara College of Engineering, Sriperumbudur. We have highlighted other activities in this letter.

I congratulate all the new elected office Bearers for the term 2022-24.

I wish the Chenlink Newsletter to bring many more updates in the days to come.

Warm regards,

A handwritten signature in black ink, appearing to read "N. Venkateswaran".

N.Venkateswaran

Chairman, IETE Chennai Centre

From Editor's Desk

Dear Members,

I am pleased to present the Volume Two, second issue of IETE CHENLINK, the IETE Chennai Centre's newsletter. I am happy to note that colleges have followed the new guidelines in event reporting. However, I once again remind to kindly inform the events planned for subsequent months, well in advance for possible inclusion in newsletter.

I welcome suggestions to enable us to enhance the quality of Newsletter of the Chennai center.

Warm regards,

A handwritten signature in black ink, appearing to read "M. Arun".

M. ARUN

Editor, IETE Chen Link Newsletter

IETE Chennai Center**"IETE - CHENCON 2022"**

The CHENCON Conference –2022 was a 2-day International Conference themed on “Power of Artificial Intelligence & Machine Learning for Human Empowerment”. It was organized by the Institution of Electronics and Telecommunication Engineers – Chennai Center in hybrid mode. The event provided a platform for Research Scholars and students from various institutions to showcase their technical acumen through presenting a paper on various domains. This event was conducted both in online (Google Meet) and offline mode at Sri Venkateswara College of Engineering, Sriperumbudur -602 105.

The Conference inaugural event commenced at 9:30 AM on the 20 May, 2022 , Friday. The event commenced with a prayer song followed by a welcome address by Dr.T.J. Jeyaprabha, Associate Professor, Department of ECE & Honorary Treasurer, IETE Chennai Centre. Dr.N. Venkateswaran, Professor, Sri Sivasubramaniya Nadar College of Engineering and Chairman, IETE Chennai Centre addressed the gathering on the details of the Conference and thanked the organizing team. Dr.V. Kamakoti, Director, IIT Madras was the chief guest for the event. Dr.V. Kamakoti has designed India’s first indigenously – developed Microprocessor ‘SHAKTI’ and is also a Member of the National Security Advisory Board, Government of India. He spoke on the role of AI and Machine learning in various areas of interest. Then, the President of IETE, Prof (Wg Cdr) P Prabhakar, Chief Guest of the Inaugural event of the conference stressed on the importance of Artificial Intelligence in today’s world and also IETE’s contribution towards the same. It was followed by an insightful message by Sri V. Venkatesan – Programme Director, SAMEER Chennai. He highlighted the recent spike in the usage of AI/ML into their respective domains. It was followed by the address by Dr. S. Muthukumar, HOD – ECE, Sri Venkateswara College of Engineering. Recent developments in the field of AI and ML were highlighted though eight keynote talks by eminent researchers from various fields. A total of 41 peer reviewed papers were presented in Chencon -2022. There was also an enthusiastic interdisciplinary and intercollege participation from various parts of India. The participants attended the event both in offline as well as online mode.

The valedictory event commenced with a welcome address by Dr.T.J. Jeyaprabha, Associate Professor, Department of ECE& Honorary Treasurer, IETE Chennai Center followed by president address by Prof (Wg Cdr) P Prabhakar (Veteran), President, The Institution of Electronics and Telecommunication Engineers (IETE), New Delhi. The Guest of honour Dr. S. Ganesh Vaidyanathan Principal, Sri Venkateswara College of Engineering addressed the gathering. The prize distribution was graced by the President, IETE, Prof (Wg Cdr) P Prabhakar. The Principal of Sri Venkateswara College of Engineering, Dr. GaneshVaidyanathan, congratulated the participants and distributed certificates to all the winners. Vote of thanks was given by Mr.M. Arun, Member, Executive Committee. The conference concluded following the National Anthem.

"IETE Chennai Centre Annual General Meeting"

32nd Annual General Meeting of IETE Chennai Centre was held on June 29th, 2022, Wednesday, at 1800 hrs., at IETE Hall, Chennai Centre. Chairman, Dr. Venkateswaran has chaired the meeting along with Shri. Tata Sudhakar, Immediate Past Chairman and Dr. T J Jeya Prabha, Hon Treasurer. Other EC Members, Senior Fellow members and corporate members, totaling 35 participated. Dr. N. Venkateswaran, Chairman welcomed the members present. He summarized the activities & Initiatives for the term 2020–2022. Dr. T J Jeya Prabha, Hon Treasurer read out the minutes of the previous AGM. Mr. Arun M, EC member presented the Annual report for the year 2021–22, highlighting the activities taken place during the year. The financial statement and audited balance sheet for the year 2021–2022 were presented by Dr. N. Venkateswaran, chairman. Appointment of auditor for the year 2022 – 2023 was proposed and accepted. Dr. Joseph Gladwin, Returning Officer, IETE Chennai Centre Election 22 introduced the newly elected office bearers for the term 2022-24. Shri. Tata Sudhakar, Immediate Past Chairman proposed the Vote of thanks.

"IETE office bearers for the term 2022-24"

**Institution of Electronics and Telecommunication Engineers (IETE) CHENNAI CENTRE
Executive Committee 2022-24**

Many Congratulations & Best Wishes to the newly elected Executive Committee Members for the term 2022-24.

IETE ISF Activities**B S Abdur Rahman Crescent Institute of Science and Technology, Chennai*****"Global Certification course"***

ECE dept. Organized Global Certification course on Certified Labview Associate Developer (CLAD) from 21.03.22 to 08.04.22 (excluding Saturday & Sunday), 11.04.22 to 13.04.22 and 18.04.22 to 20.04.22. The training program was felicitated by Dr.C.THARINI, HOD/ECE, B. S. A. Crescent Institute of Science and Technology. The objective of the workshop is to train the students in LabVIEW tool and to qualify them as a LabVIEW Associate Developer. All the participants were trained on LabVIEW Core1 & Core 2. CLAD exam was conducted on 13.05.2022 at 11.00 am in NI LabVIEW Academy of BSACIST. Resource person: BSACIST CLAD certified faculty & Mr.Anish Kumar, Director, Aadhyaa Skills Research and Development.14 students got certified from NI instruments in the CLAD Exam.

***"Workshop on "Implementation of Communication Protocols in FPGA""***

ECE dept. has organized Two Days Workshop on Implementation of Communication Protocols in FPGA on 22.04.2022 & 23.04.2022 for the benefit of UG students, PG students, Faculty members and Research scholars from various institutions. The resource persons for this training were Mr.Kumaran.R, Senior Design Engineer, SmartSOC solutions, Chennai. Alumnus(Mtech – VLSI and Embedded Systems - (2015 - 2017)) and Mr. Rahul Iyer, Associate Director, Samsung Semiconductor, Bangalore . Around 33 students were participated.

“Two Day Hands on Training on Smart Phone Servicing”

ECE dept. organized Two Day Hands on Training on Smart Phone Servicing on 18 and 19 May 2022. Dr.C. Tharini HOD/ECE initiated the idea of mobile phone important to the participant. The main objective of the Training session was to impart technical knowledge and tools for mobile phone services. 44 students were participated.

“OPEN DAY”

ECE dept. along with IE, IETE, Hobby Electronics Club, Social Technical Services Club, BQUIZ Club has organized an open day on 2.6.22 to showcase their projects and Project ideas. The inauguration was graced by Dr.C.Tharini Prof & Head/ECE Around 60 batches were participated.

“Virtual Project EXPO 2022”

ECE dept. has organized Virtual Project EXPO 2022 for the Final year students ECE/ EEE/ E&I/ I&C program from various institutions on 11.06.2022, in the online mode. Around 15 batches registered from that 10 teams selected & participated. The criteria for evaluation were based on presentation, innovation, demo and Q & answer sessions. The groups scoring the highest marks were awarded first (Kathir college of engineering), second (St.joseph's institute of technology) and third (Shri sant gadge baba college of engineering and technology) places.

Route towards Right Career Season 2

Speakers:

- T. Gophika
- Dr. D. Jessintha
- Mr. Kirankumar Manivannan

Guest Speaker: Mr. Kirankumar Manivannan

Host: Ms. T. Gophika

Reported by: Mrs. Anusoooya, anusoooya@crescent.education

Easwari Engineering College, Chennai

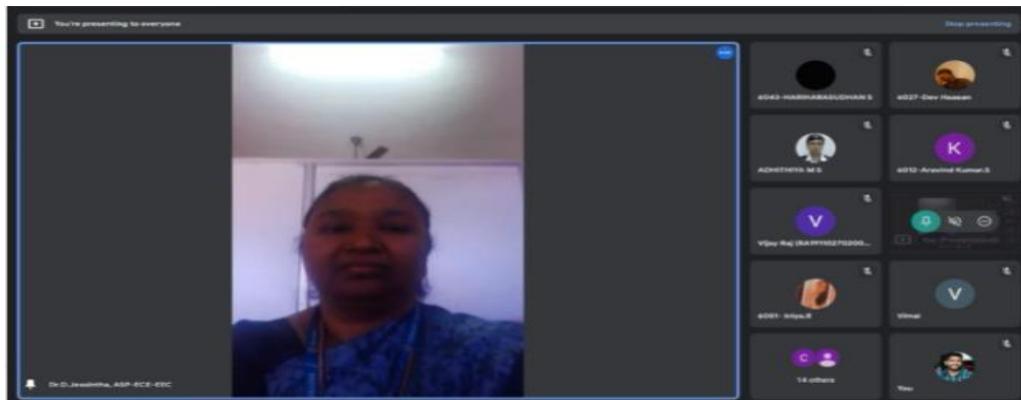

"Route towards Right Career Season 2"

IETE IESF organized a career guidance program Route towards Right Career-Season 2 as a part of brand building activity at C.S.I Northwick Higher Secondary School, Royapuram on 11.03.2022. Around 234 higher secondary students participated and got benefited from this program. Welcome address given by Ms. T.Gophika, AP/ECE. Dr. D. Jessintha, Associate professor-ECE briefed about various outreach programs organized through IETE student forum and introduced the guest speaker. Mr. Kirankumar Manivannan, AP/ECE. Students were addressed about various opportunities in different sectors and students interacted with the faculty members to clarify the doubts. Session ended with the vote of thanks by Ms. T. Gophika, AP/ECE.

"Route towards Right Career Season 3"

IETE ISF in association with the ECEC dept. organized Online Career Guidance Program exclusively for senior secondary students bearing the title Route towards Right Career Season 3, on 12.03.2022. 54 Students from 11th and 12th class of different branches from different schools have participated and got benefited. The Session started with the welcome address given by Dr.M.Devaraju, Professor and Head, ECE. Following him Dr. D.Jessintha, Associate Professor/ECE, briefed about various outreach programs organized through IETE student forum and introduced the guest speaker, Mr.Kirankumar Manivannan, AP/ECE. Speaker gave detailed information of variety of career options that every single student will have after their schoolings. He also gave clear vision on how the right path for those targets can be achieved in every field of their interest. Finally, he motivated all students by providing the job opportunities they can have on completing their courses and well wished them to fly high and shine colourfully. The session ended up by proposing the vote of thanks by Ms.T.Gophika, AP/ECE.

"Route towards Right Career Season 4"

IETE ISF organized an Outreach Program, Route towards Right Career Season 4, on 14.03.2022 between 10 am to 11.45 am at Koilpillai Memorial Higher Secondary School,Ramapuram. 157 Students from 11th and 12th Standard participated and got benefitted. Session started with the welcome address given by Ms.T.Gophika, AP/ECE. D.Jessintha, Associate Professor, briefed about various outreach programs organized through IETE student forum and introduced the guest speaker, Mr.Kirankumar Manivannan AP/ECE. Route for choosing right career path towards reaching our goal plays a vital role in developing our career. The session ended up by proposing vote of thanks by Dr. D.Jessintha, Associate Professor, ECE.

"Pragyotsav Inception 2K22"

ECE Dept. in association with IETE ISF organized Pragyotsav Inception 2K22 on 26.05.2022. The chief guest for the event was Dr Kalarical Janardhanan Sreeram Director, CSIR-CLRI in presence of Dr.M.Devaraju, HOD/ECE, Dr.K.M. Anandkumar, the Vice-Principal-Admin ,Dr. B. Venkatachalampathy-Dean Research. ISF President gave an overview of IETE Student Forum (ISF) and the past Pragyotsav events which were conducted by ISF for the past four academic years. Dr. D.Jessintha & Ms.T.Gophika, the ISF faculty coordinators, announced the new office bearers of ISF and the badges were distributed by the chief guest for the new office bearers. ISF secretary introduced the chief guest. Dr. K.J. Sreeram gave a speech on how electronics and other disciplines of engineering is applied in leather technology.

"IETE-Webinar on Technical Stuffs for an Event"

IETE ISF Organizes Webinar on Technical Stuffs for an event on 09.04.2022.The chief guest for the event is Mr.Raghul Kannan, Software Engineer, ATOS. There were around 70 participants for this webinar. Students learnt how to create an Google form, feedback form & posters etc.,

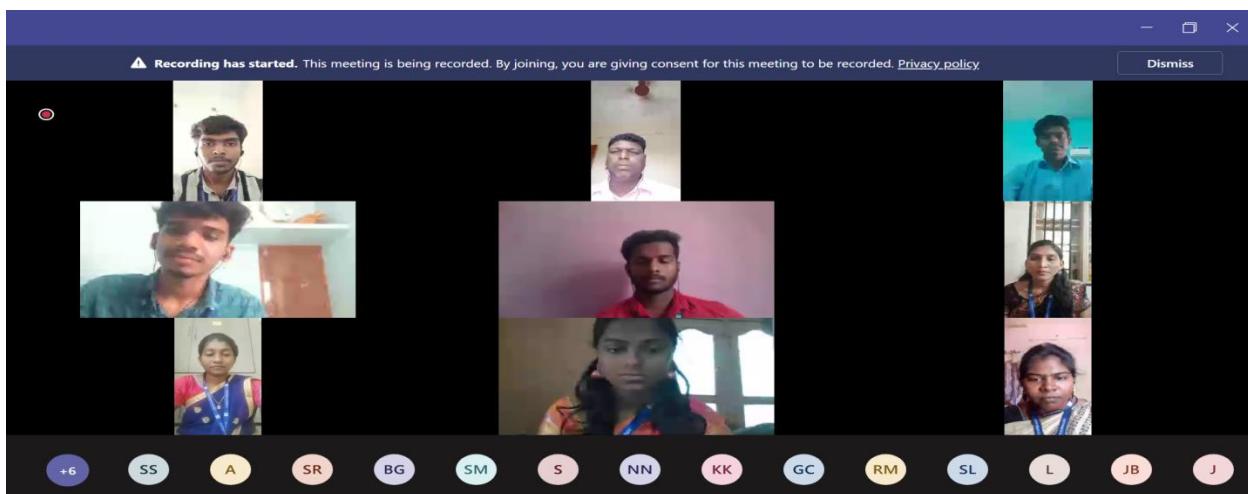

"IETE-CONNEXION"

IETE ISF organized Connexion on 12.04.2022. There are around 30 participants.

"Tamil Puthaandu Sirapu Pattimandram"

IETE ISF organized an online event Tamil Puthaandu Sirapu Pattimandram and it was conducted on 16.4.22. This is the special online event exclusively for the students of Jeppiaar Institute of technology to gain the knowledge and to know about the new things. There were nearly 30 students participated. The chief guest for the event is Dr.Rassul Jayapathy.

"IETE-TRENDY TECH"

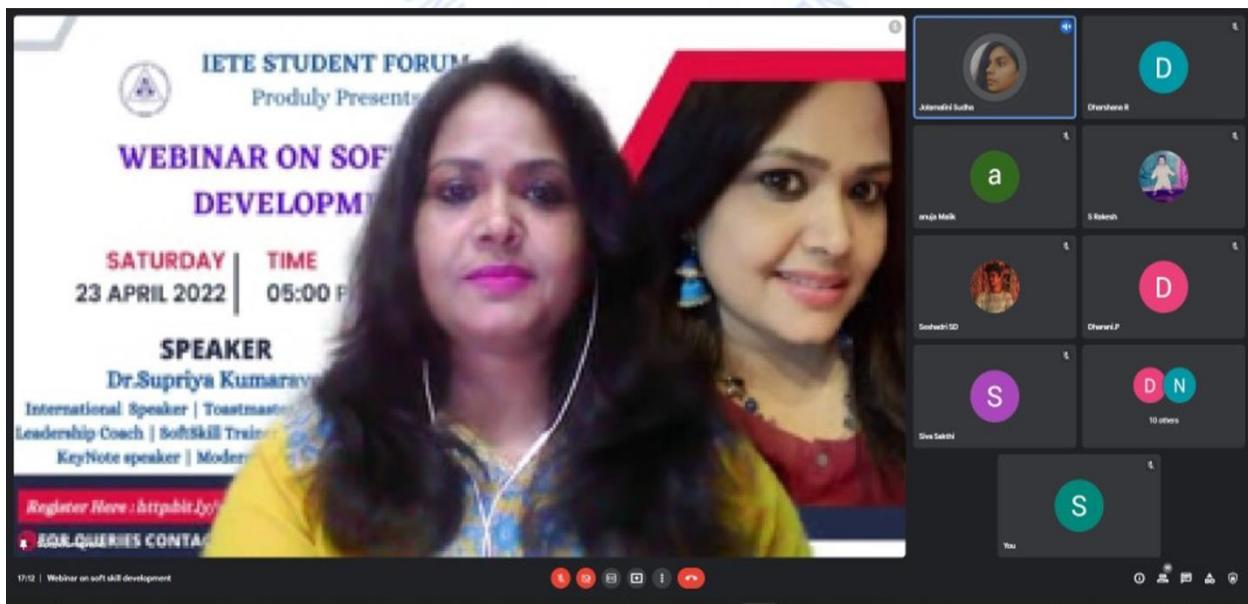

JIT ISF Organizes Trendy Tech a non –technical event .There were around 40 participated in this event .

The poster features the logo of Jeppiaar Institute of Technology (JIT) at the top left, followed by the text "JEPPIAAR INSTITUTE OF TECHNOLOGY" and the motto "SELF BELIEF | SELF DISCIPLINE | SELF RESPECT". To the right is a circular emblem with a rising sun. Below this, the "IETE STUDENT FORUM" logo is displayed with the tagline "PROUDLY PRESENTS". The main title "TRENDY TECH" is prominently shown in large blue letters. On the left side, there is a sidebar with icons for "REGISTRATION", "ONLINE REGISTRATION", "ATTENDANCE", and "Bio-Details". On the right side, there is a sidebar with icons for "Q & A", "Feedback", "For Questions", and "Bio-Data". The background has a blue and white gradient with some faint text and logos.

"Webinar on Soft Skill Development"

IETE ISF organized a webinar on Soft skill development and it was conducted on 23.04.22. This is the special online event for the students to gain the knowledge and to become a successful person. There were nearly 50 students participated.

The screenshot shows a video call interface for a webinar. On the left, there is a banner for "IETE STUDENT FORUM" with the text "Produly Presents" and "WEBINAR ON SOFT SKILL DEVELOPMENT". It also lists the date and time as "SATURDAY | TIME 23 APRIL 2022 | 05:00 PM". Below this, the speaker information is provided: "SPEAKER Dr.Supriya Kumaresan" with her bio: "International Speaker | Toastmaster | Leadership Coach | Softskill Trainer | KeyNote speaker | Moderator". There are links for "Register Here : <http://bitly/1>" and "FOR QUERIES CONTACT". At the bottom left, it says "17:12 | Webinar on soft skill development". On the right, there is a participant list showing several users with their names and profile pictures, along with their status (e.g., A, D, S). The video feed in the center shows two women smiling.

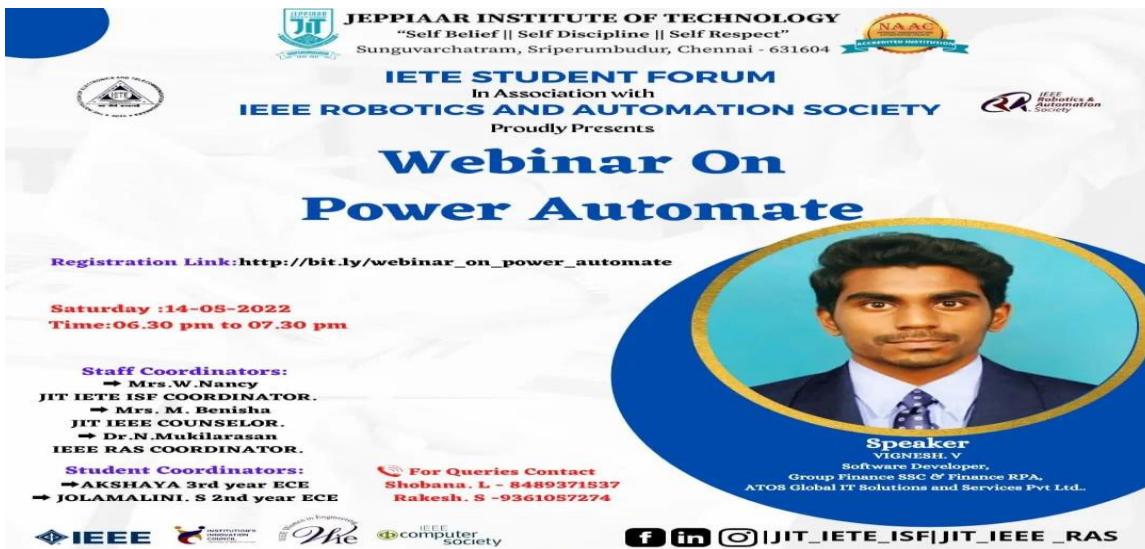

"IETE EVENT – CODEATHON"

IETE ISF conducted a Technical event as CODEATHON held on 30.04.22. There were more than 32 Participants who has played that quiz game and showed their skills.

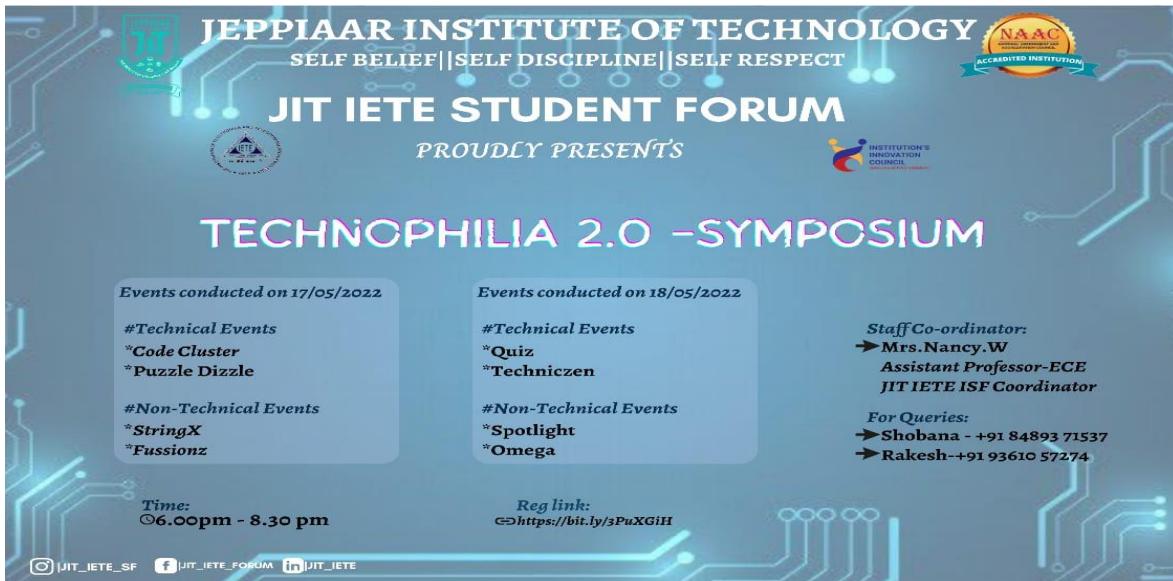

"Webinar – POWER AUTOMATE"

IETE ISF in association with IEEE Robot and Automation Society organized a webinar on Power Automate on 15.05.2022 (06.30 PM to 07.30 PM) through online mode in Google Meet. The speaker for this webinar is Mr.Vignesh.V, Software engineer in ATOS. There were more than 40 participants attended and benefitted from this webinar.

"Report on-TECHNOPHILIA 2.0 –SYMPOSIUM"

IETE ISF conducted a TECHNOPHILIA 2.0 -SYMPOSIUM held on 17/05/2022 & 18/05/2022 .There were more than 55 Participants attended both technical and Non technical events.

"International Conference on Recent Innovations in Science, Engineering and Technology ICRISET-2022"

IETE ISF organized a International Conference on Recent Innovations in Science, Engineering and Technology ICRISET-2022 on 13.05.2022 and 14.05.2022. There were 5 key note speakers Dr.Jaume Anguera , Dr.Premanand chandramani, Dr.N.Rajesh, Dr.Jayachandra Bingi , Dr,Iakovos Ioannou .There were around 60 papers were accepted and conference proceedings were released along with IETE chairman Dr.N.Venkateswaran.

KCG College of Technology, Chennai

"Clean Campus drive"

IETE Student Forum, organized clean campus drive at KCG College of Technology Campus on 18 March 2022. 25 students participated in the event.

"Hill Walk Event"

IETE Student Forum organized Hill Walk, to Tirusulam Hills, Chennai on 27 March 2022. 25 students participated in the event.

"Sapling Plantation"

The IETE Student Forum organized 110 Sapling plantation at KCG College of Technology along with 20 students on 28 April 2022.

"Project Expo"

IETE Students Forum organized project expo competition to the final years on 15 June 2022. 11 teams participated in the event, and the best three teams were given cash prizes.

Kings Engineering College, Irungattukottai.

"Guest lecture on IOT and its Real time Applications"

IETE ISF, ECE dept. organized Guest lecture on IOT and its Real time Applications by the resource Person Dr.S. Mahaboob Basha, Associate Professor ,ECE,R.M.K Engineering College on 30.03.2022, from 10:30A.M to 12:30 P.M in Offline mode at the Kalvithandai Auditorium. Around 20 faculty members and 150 students registered and attended the event, which includes Second year and Third year students of ECE. From this event students learnt about basic concept of IoT & its real time applications and hands on working knowledge on Tinker Cad open source tool in a more efficient manner and participants were able to understand the simple and basic programming concept using Tinker Cad both on simulation as well as hardware kit.

"Faculty Development Program on Applications of Cognitive Radio Networks"

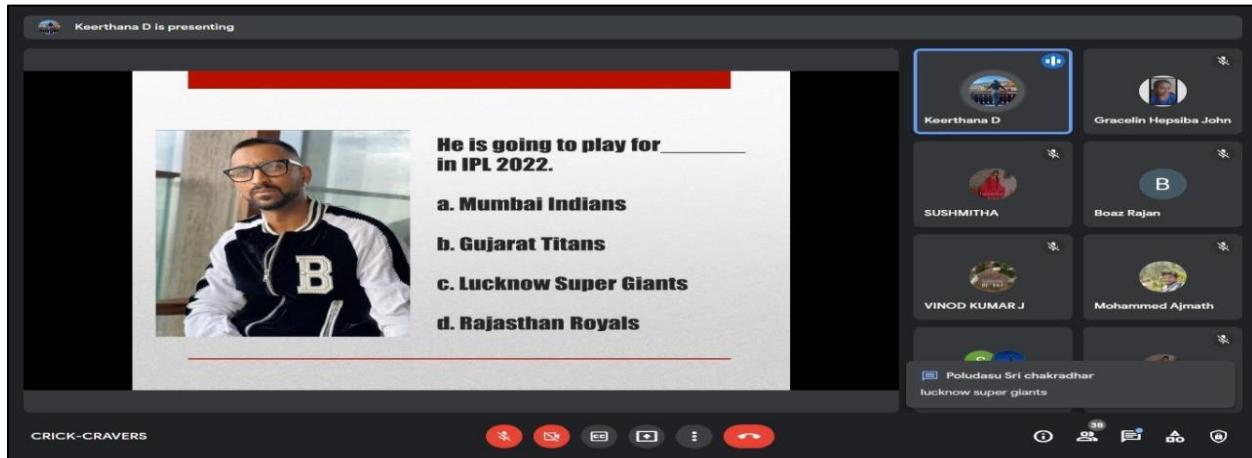

IETE ISF, ECE dept. organized Faculty Development Program on Applications of Cognitive Radio Network by eminent resource Persons, for one week from 10:00A.M in Google Meet (Online mode). Around 270 faculty members and Research Scholars registered and attended the event. From this event faculties learnt about basic concept of Cognitive Radio and its wide applications in Wireless Communication networks, Antennas, Spectrum Sensing and Sharing Access, VLSI system, Applications in Vehicular Communication, Medical Image Processing, Embedded & RTOS, Public safety & Security system and 6G Networks.

"Crick-Cravers Event"

IETE in association with IEEE PIT SB, IEEE RAS and IEEE IMS organized an event CRICK-CRAVERS on 1.3.22. Objective type questions related to cricket sport were displayed on screen and participants were asked to type the correct answer in the chat box. Nearly 40 participants from various educational institutions participated in the event and the top three participants were selected as winners. The student coordinators Sushmitha and Keerthana coordinated the event successfully along with the staff coordinator Mr. M. Arun, AP/ECE.

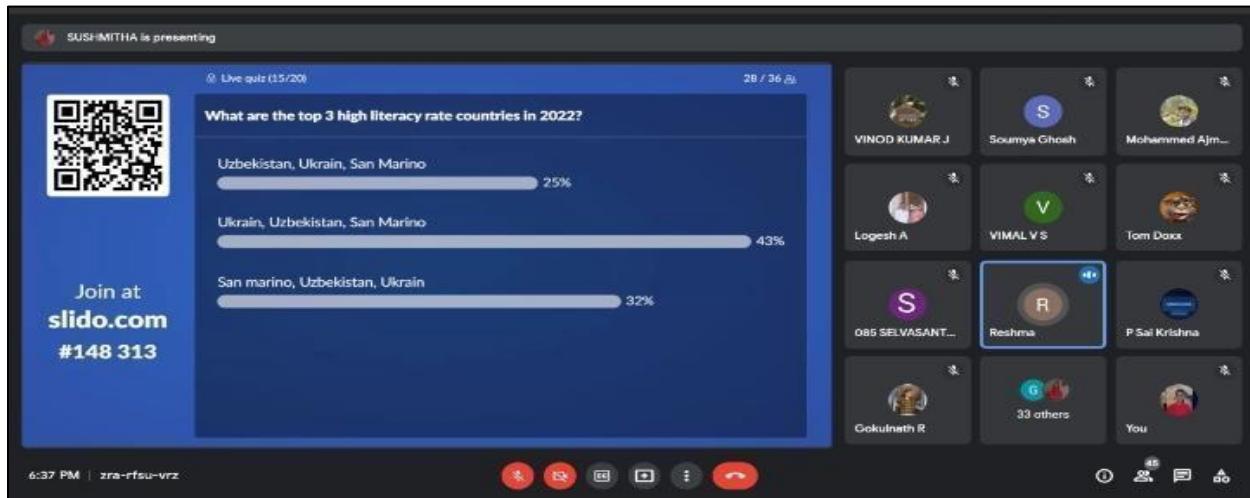

"One Day Workshop on Design Thinking"

IETE, Entrepreneurship Development Cell in association with IEEE PIT SB and IIC organized a one day workshop on Design Thinking on 4.3.22. The speaker of the session was Ms. Swapna C.K, Assistant Manager, Enterprise-SHG Pillar, Hand In Hand India. The speaker gave a complete lecture and more valuable points about Design Thinking, the perspectives of Design Thinking, Skills required for it and how Design thinking can be used in Business Platforms. The speaker explained her views with videos related to movies which gained participants attention. Nearly 60 Participants from various educational institutions attended the workshop. Student Coordinator Dhanalakshmi G P coordinated the event successfully along with the Staff Coordinator Mrs. S. Saranya, Assistant Professor, ECE and E-cell coordinator Mr. M. Arun, AP/ECE.

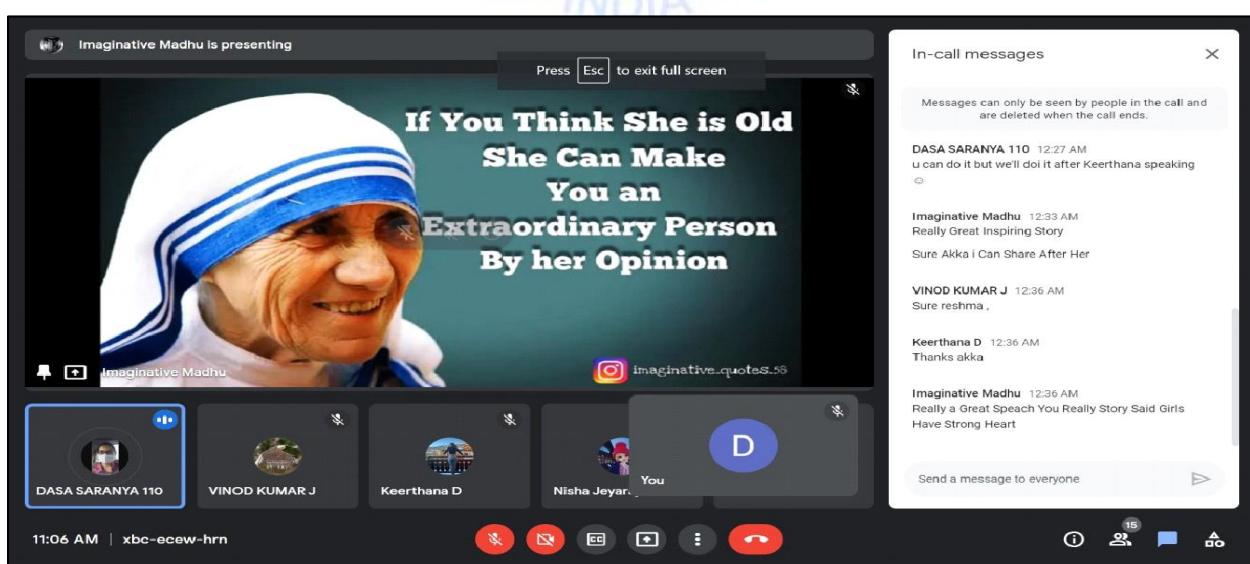

"Lay Out Three"

IETE in association with IEEE PIT SB, BTS and ISTE had organized an event "Lay out Three" on 5.3.22 from 6.00pm-7.00pm IST through Google meet and Slido platforms. Objective type questions related to the top three personalities from various fields were displayed on the Slido quiz website and participants were asked to choose the correct answer. Nearly 45 participants from various educational institutions participated in this event and the top three participants were selected as winners. The student coordinators Reshma and Sushmitha coordinated the event successfully along with the staff co-ordinator Mr. M. Arun, AP/ECE.

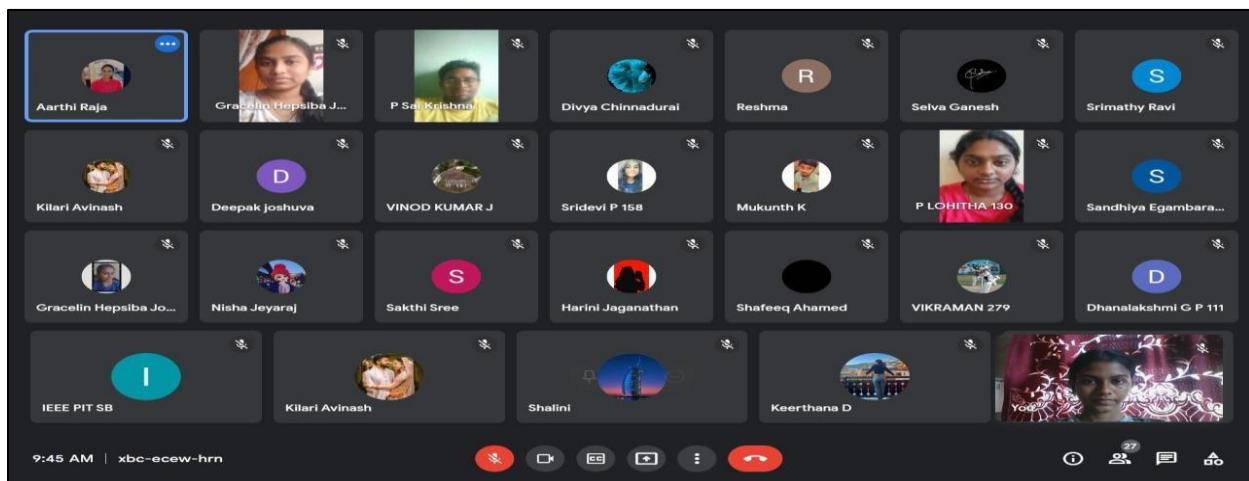

"Speakup Singapenne 3.0"

IETE in association with IEEE PIT SB and IEEE WIE had conducted a spectacular event Speakup Singapenne 3.0 on the occasion of International Women's day. The event was held on 8.3.22. Participants were asked to share their challenging life experiences and how they overcame them. Many participants shared their beautiful experiences and all had a wonderful discussion. Nearly 20 participants from various educational institutions participated in this wonderful event. The student coordinators Lohitha, Sowmiya and Dasa Saranya coordinated the event successfully along with the staff coordinator Mr. M. Arun, AP/ECE.

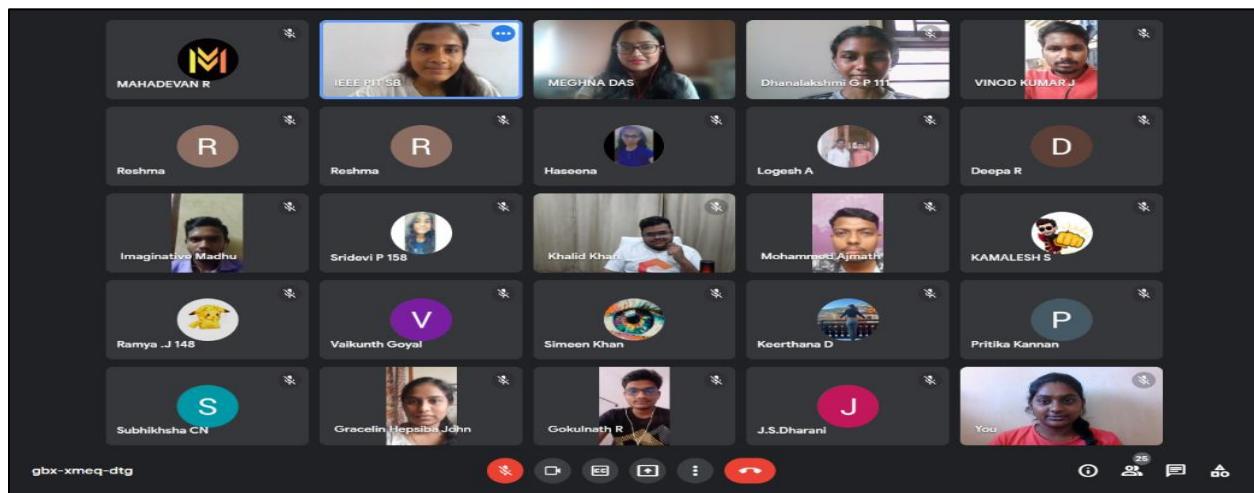

"Unsolved"

IETE in association with IEEE PIT SB, IEEE WIE had organized an event UNSOLVED on the occasion of International Women's Day on 8.3.22. Images of famous and inspired women's are displayed in the form of puzzles and blurred images. Based on the pictures clues were given, Participants were supposed to guess the correct answer and type it on the chat box. Nearly 20 participants from various institutions participated in the event and the top three participants were selected as winners. The Student Coordinators Aarthi. A, Gracelin Hepsiba. J and Sridevi. P. Coordinated the event successfully along with the Staff Coordinator Mr. M. Arun, AP/ECE.

**"Webinar on How to get into Devrel as a College Student"**

IETE in association with IEEE PIT SB, IEEE WIE organized a Webinar on the topic How to get into Devrel as a College Student under International Women's Day Celebration on 8.3.22 at 3:00 PM IST. The session was carried out by our Speaker Ms. Meghna Das, Community Manager at SAWO Labs| IEEE Brand Ambassador. The speaker started the session by giving tips for starting Devrel. She also said how to do it through IEEE and the process. She addressed the various queries of the participants. Nearly 30 Participants from various Educational Institutions attended the event. The Student Coordinators Sridevi, Dhanalakshmi and Keerthana successfully coordinated the event with Mr. M. Arun, AP/ECE.

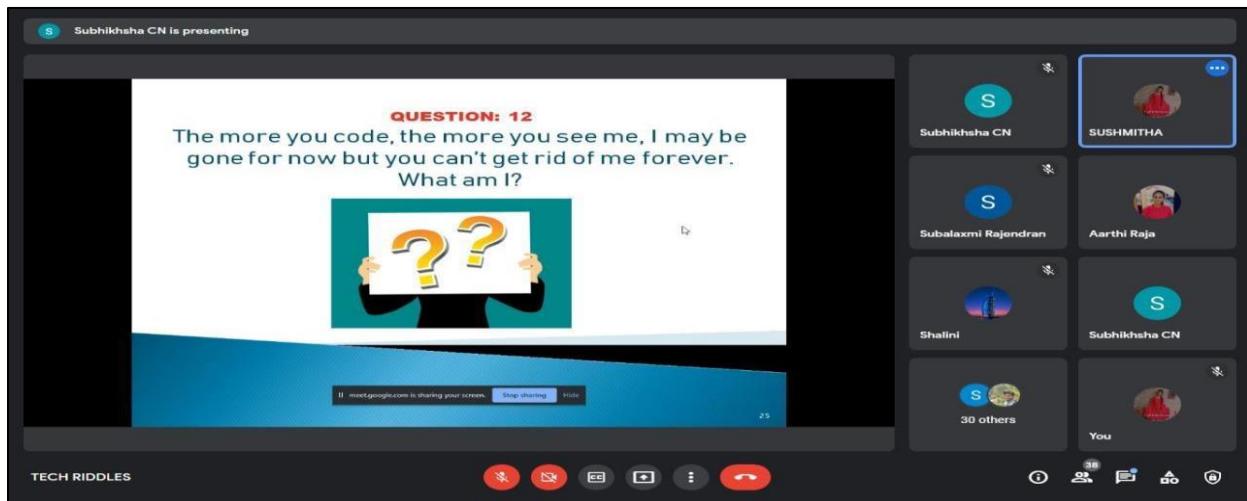

"FDP on Ground breaking Technologies"

IETE, in collaboration with Department of ECE, NEST4U club, HERTZ and SHANNON club, in association with IEEE PIT SB and IETE-ISF organized a Faculty Development Programme on Ground breaking Technologies during 09.03.22- 14.3.22. Dr. Lakshmanan M, Professor Head ECE, Dean Research Galgotias College of Engineering and Technology, Noida delivered on the topic Distributed Machine Learning for 5G and Beyond & Dr. M. Prem Kumar, Professor, ECE, Panimalar Institute of Technology delivered on the topic "PHY Layer Metrics of MIMO Systems on 9.3.22. Dr. Gunasekaran Thangavel, Program Director (Telecommunications), Department of Engineering /EEE Section, University of Technology and Applied Sciences-HCT delivered the topic Wireless Channel Models for 5G/6G Applications and Dr. S. Sathya Priya, Professor, ECE, Panimalar Institute of Technology delivered on the topic UWB Wireless Communications Characteristics on 10.3.22. Dr. R Suganthi, Associate Professor, ECE, Panimalar Institute of Technology delivered on the topic MANET using NS2 & Dr. Shankar T ,Associate Professor, Department of Communication Engineering, School of Electronics Engineering (SENSE),Vellore Institute of Technology (VIT), Vellore delivered on the topic Issues and Challenges in Wireless Sensor Networks on 11.03.22. Dr. N.R. Shanker, CEO, Chase Technologies, Chennai delivered on the topic WISEE & Dr. Asha A, Associate Professor, ECE, Rajalakshmi Engineering College delivered on the topic Recent Applications of WSN on 12.3.22. Dr. M.Hariprasath, Assistant Professor ECE, Panimalar institute of Technology delivered on the topic Wireless Networks Applications in IoT & Dr. I Poonguzhali, Associate Professor, ECE, Panimalar Institute of Technology delivered on the topic Error Control Coding Techniques and its Advancements on 13.3.22. Dr.D.Vijendra Babu, Vice Principal, Professor ECE ,Aarupadai Veedu Institute of Technology delivered on the topic Internet of Medical Things (IoMT) : The Future of Healthcare & Dr. S. Rajalakshmi, Assistant Professor(Senior), ECE, SENSE, VIT , Vellore delivered on the topic Future Prospects of Fiber Optics on 14.3.22. Nearly 50 participants from various Educational Institutions attended the session. Dr. M. P. Chitra, HOD/ECE, Convenor, Staff Coordinators Dr. I. Poonguzhali, Associate Professor, ECE and Mr. M. Arun, AP, ECE coordinated the event successfully.

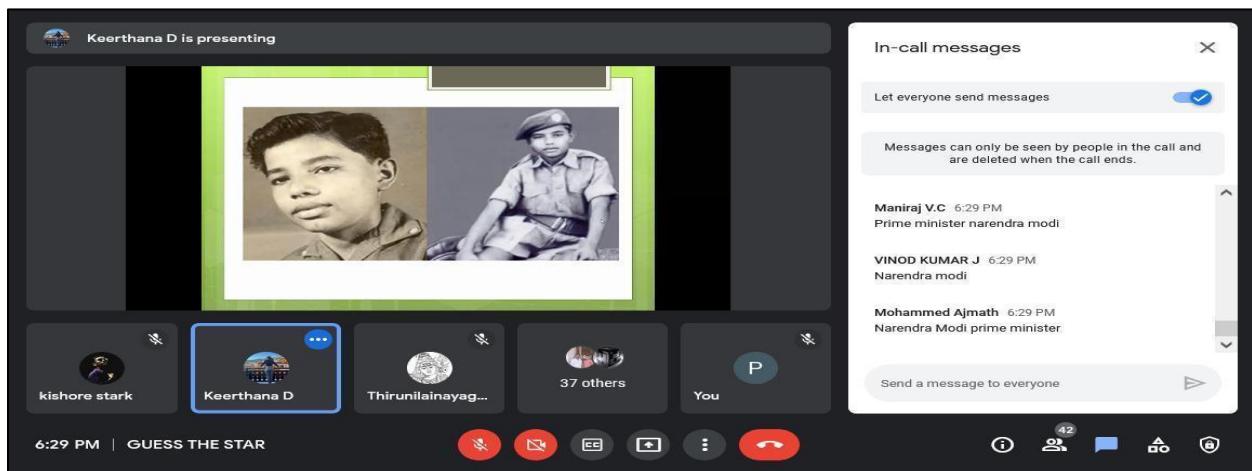

"Tech Riddles-Event"

IETE in association with IEEE PIT SB, IEEE Photonics Society and ITS had organized an event TECH RIDDLES on 10th March 2022. The questions were asked related to technology in the form of riddles which made the participants play actively. Top 3 participants who have posted their answers in the chat box first were selected as winners. The event mainly focused on checking the IQ of participants. Nearly 40 participants from various educational institutions have participated and explored their talents. The Student Coordinators Sushmitha and Subhikhsha coordinated the event successfully along with the Staff Coordinator Mr. M. Arun, AP/ECE.

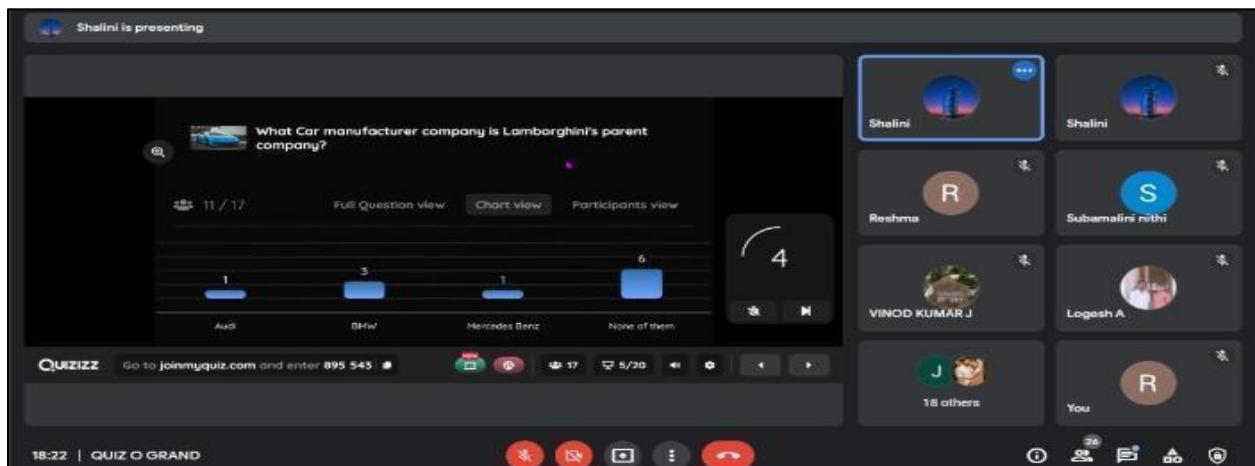

"Guess the Star – Event"

IETE in association with IEEE PIT SB, EDS and IEEE Signal Processing organized an event named Guess the Star. The event was organized on 11.03.22 from 06:00 PM to 07:00 PM. The childhood pictures of famous personalities were displayed on the screen. The participants were asked to post the answers in the chat box. The top three participants who were posting the correct answer in the chat box were declared as winners for that respective question. At last, the participants who scored highest points were declared as the winners of the event. The participants answered the questions enthusiastically. Nearly 40 participants from various educational institutions have participated in the event. The Student coordinators Keerthana, Sruthi Saila and Sushmitha coordinated the event successfully along with the Staff coordinator Mr. M. Arun, AP/ECE.

"Quiz O Grand"

IETE in association with IEEE PIT SB, IEEE PELS, IEEE PES organized Quiz O Grand event on 12.3.22 between 6.00PM-7.00PM IST. On the joinmyquiz.com website, questions about brands and companies were asked, and participants were asked to choose the correct answer. Participants who chose the correct answer within the time limit were given points, and the Winners were chosen on the basis of the points obtained. The participants took part in the entire event and they responded splendidly. Nearly 25 participants from various Educational Institutions attended the session. Student Coordinators Shalini, Reshma and Neha coordinated the event successfully along with the Staff Coordinator Mr. M. Arun, AP/ECE.

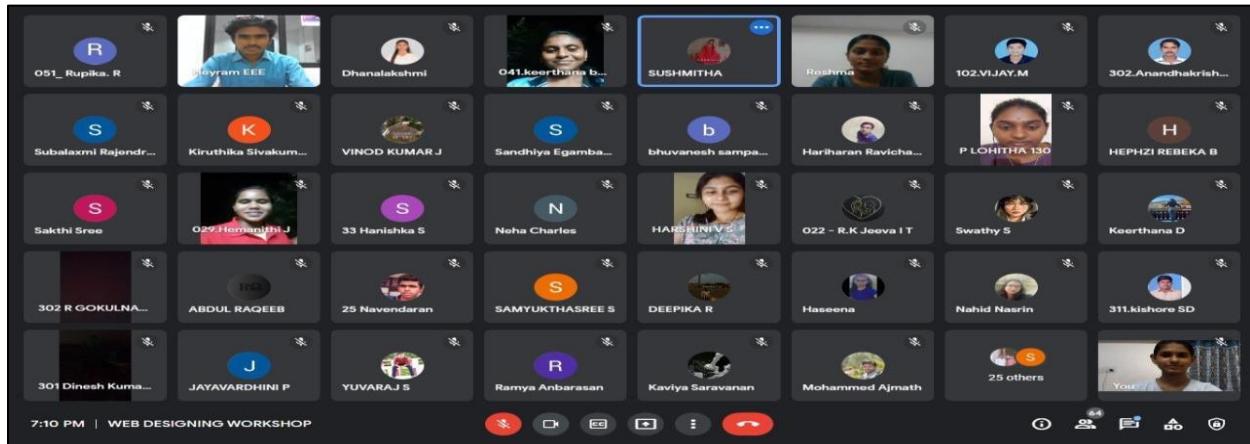

"Mobile Phone Troubleshooting Workshop"

IETE in collaboration with the Department of ECE, NEST4U club in association with IEEE PIT SB, COMSOC and SPS organized a Two-Days Workshop on Mobile Phone Troubleshooting from 14-15.03.2022 by Speakers from New Technology Mobile Servicing and Training Institute under the guidance of Mr. B. Krishnakumar, Managing Director. During day 1 participants were refreshed with the basic physics concepts such as Current, Voltage, AC, DC, etc. followed by hands-on practice on boosting the battery with the help of DC Power Supply and soldering of wire. On day 2 participants were instructed to dismantle the mobile phones and explore the issues in it which increased participant's interest and enthusiasm towards the workshop. At the end of the session, software related problems of mobile phones were discussed. Nearly 120 participants from various departments of the college attended this workshop. The Convener of the program was Dr M. P. Chitra, HOD/ECE. The staff coordinators Mr. M. Arun, AP/ECE and Mrs. D. Kalaiarasi, AP/ECE coordinated the workshop successfully.

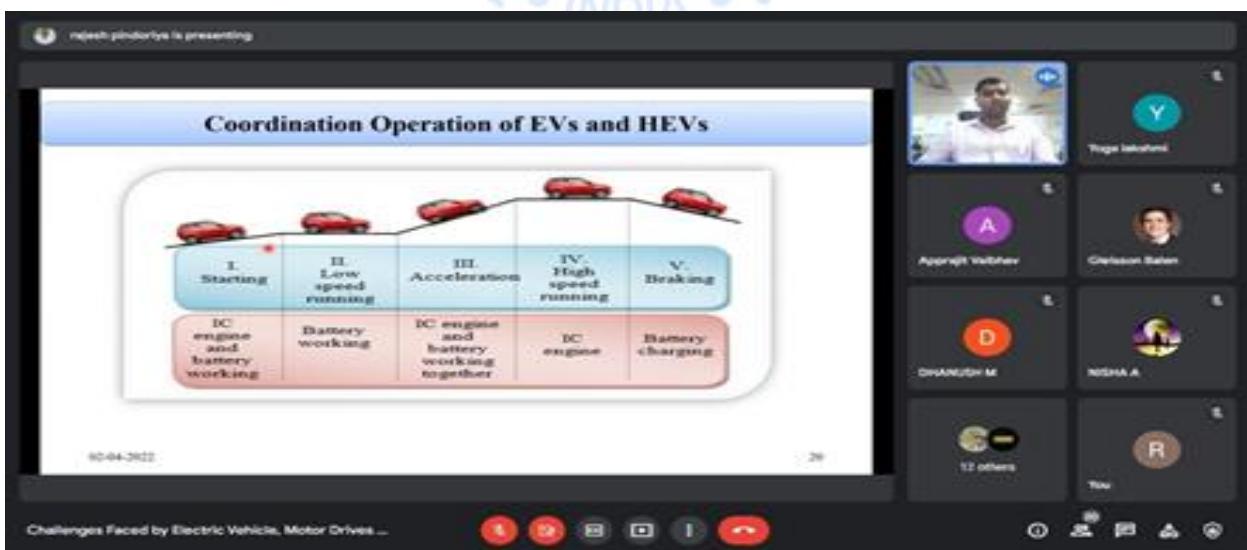

"Web Designing-Workshop"

IETE in association with IEEE PIT SB, IEEE CS, and Photonics Society organized a 2 Day workshop on the topic Web Designing. The sessions were held on 26 & 27.3.2022. The speaker for this workshop was Mr. Heyram EEE, founder and CEO of He5 solutions. Speaker shared the points about hosting, creating websites using Google sites, word press and also about its features. It was an informative sessions for participants. Nearly 70 participants from various educational institutions attended this workshop on both days. The Student Coordinators Sushmitha.M and Neha.C.L coordinated the event successfully along with the Staff Coordinator Mr. M. Arun, AP/ECE.

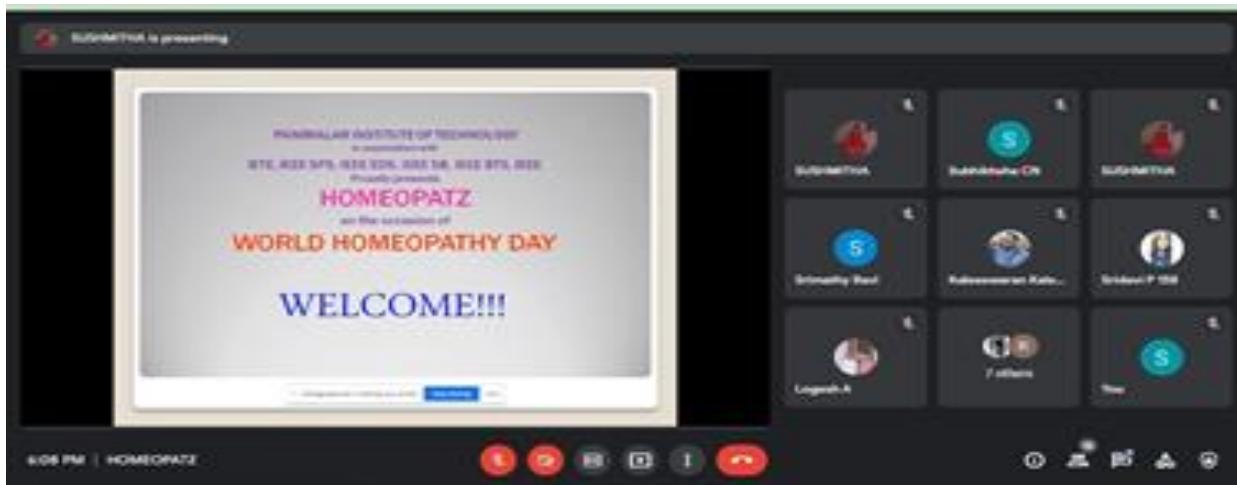

"Challenges faced by Electric Vehicle, Motors Drives and their Solutions-Webinar"

IETE in association with IEEE PIT SB, PELS, EMC and EDS organized a webinar on the topic Challenges faced by Electric Vehicle, Motors Drives and their Solutions on 2.4.22. The speaker for this webinar was Dr. Rajesh M. Pindoriya - Project Engineer at IIT Mandi. In his lecture, the speaker included the benefits of driving Electric vehicles, coordination operation of EVs and HEVs and he also talked about the pictorial view of electric vehicles. It was an informative session for participants. Nearly 20 plus participants attended this webinar. The Student Coordinators Sushmitha, Reshma and Neha coordinated the event successfully along with the Staff Coordinators Dr.M.P. Chitra, HOD/ECE and Mr. M. Arun, AP/ECE.

"Homeopatz-Event"

IETE in association with IEEE SB, IEEE SPS, IEEE EDS, IEEE BTS has organized an event HOMEOPATZ on the occasion of World Homeopathy Day on 10.4.22. The event was conducted through Google Meet and Slido. The questions were related to homeopathy. Participants have answered in Slido by choosing the correct option. Top 3 were selected as winners. This event mainly focused on creating the awareness on Homeopathy. Participants gained knowledge about homeopathy through this event. Around 20 participants from various educational institutions have participated and showcased their knowledge. The Student Coordinators Sushmitha and Subhikhsha coordinated the event successfully along with the Staff Coordinator Mr. M. Arun, AP/ECE.

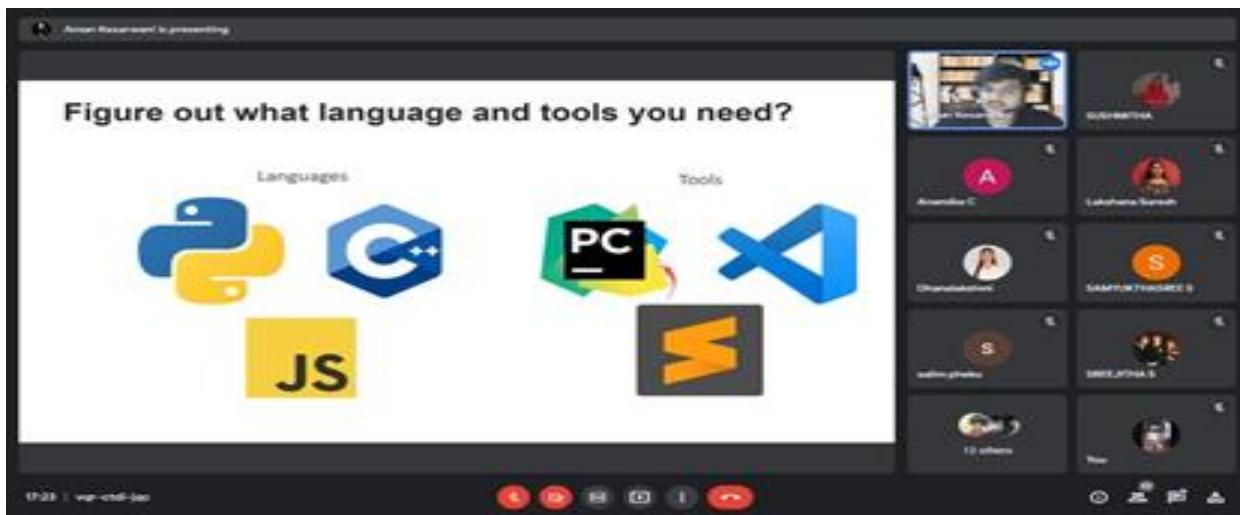

"Webinar on After Engineering Opportunities"

IETE in association with IEEE SB, IEEE COMSOC, IES, ICS and APS organized a webinar on the topic Opportunities after Engineering on 12.4.22. In the session the speaker discussed the topics such as Career Options after Engineering such as higher studies, Public Service Undertakings, Campus Placements, Civil Services and the procedure for entering into the private sector. He also explained about Aerospace Engineering and its opportunities. Nearly 40 participants from various Educational Institutions attended the webinar. The Student coordinators M. Sushmitha, C.N.Subiksha, P. Lohitha coordinated the event successfully along with our Staff coordinator Mr. M. Arun, AP/ECE.

"How to start with Programming – Webinar"

IETE in association with IEEE SB, PES, IIC, ISTE and IT organized a webinar on the topic How to start with Programming by Mr. Aman Kesarwani, Founder @ LetsGrowMore, Software Engineer(DevOps), Influencer/Educator on 15.4.22. The speaker explained and figured out tools and language that we need in the future and he also explained how to choose a project. Nearly 25 participants from various Educational Institutions attended the session. The Student coordinators Sushmitha, Aarthi and Yogalakshmi coordinated the event successfully along with the Staff coordinators Dr. M.P. Chitra, HOD/ECE and Mr. M. Arun, AP/ECE.

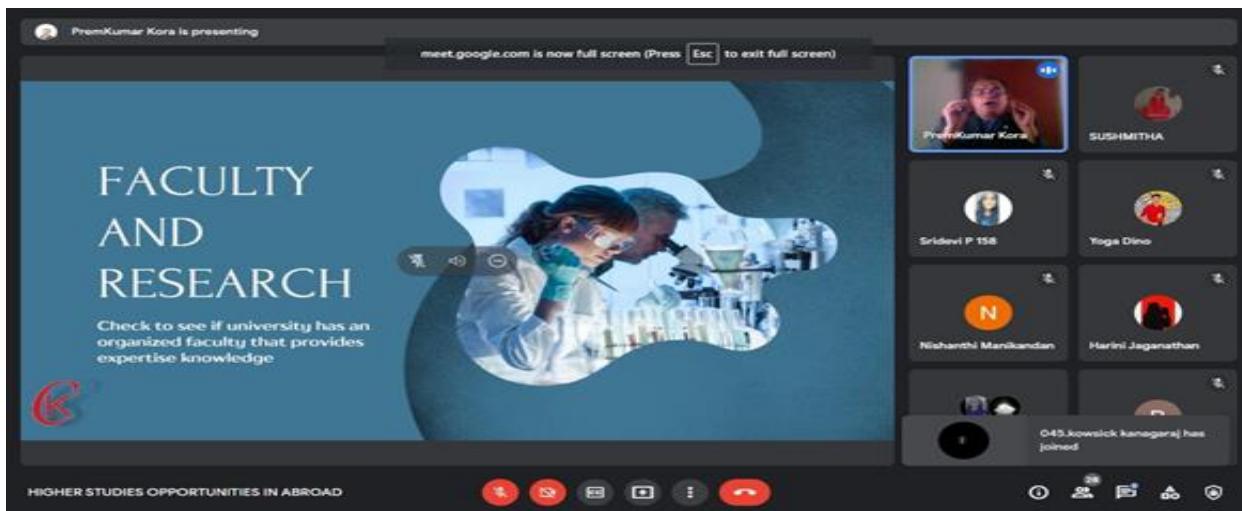

"Prov Detect-Event"

IETE in association with IEEE SB, IEEE TEMS and IAS had organized an event PROV-DETECT on the occasion of World Book Day on 23.4.22. The questions were displayed on the screen related to proverbs. Participants who managed to type the provided words to them first got a chance to tell the answer by unmuting their mikes. Top 3 were selected as winners. This event mainly focused on creating awareness among students about book reading habits. Around 15 participants from various educational institutions participated and showcased their talent. The student coordinators Reshma and Subhiksha coordinated the event successfully along with the staff coordinator Mr. M. Arun, AP/ECE.

"Higher Studies Opportunities in Abroad – Webinar"

IETE in association with IEEE SB, IEEE TEMS, EDS, ICS and IEEE Photonics Society organized a webinar event Higher Studies Opportunities in Abroad by Mr.Premkumar Kora, Managing Director & Founder Kora Study Abroad Consultants on 24.4.22. The speaker gave a complete lecture and he explained about Job vs Career, and about what a student looks for when selecting a country for their career and more valuable points about the faculty and research. Nearly 30 participants from various Educational Institutions attended the Webinar session. Student Coordinators Dhanalakshmi, Sushmitha and Reshma coordinated the event successfully along with the Staff Coordinators Dr.M.P Chitra, HOD/ECE and Mr. M. Arun, AP/ECE.

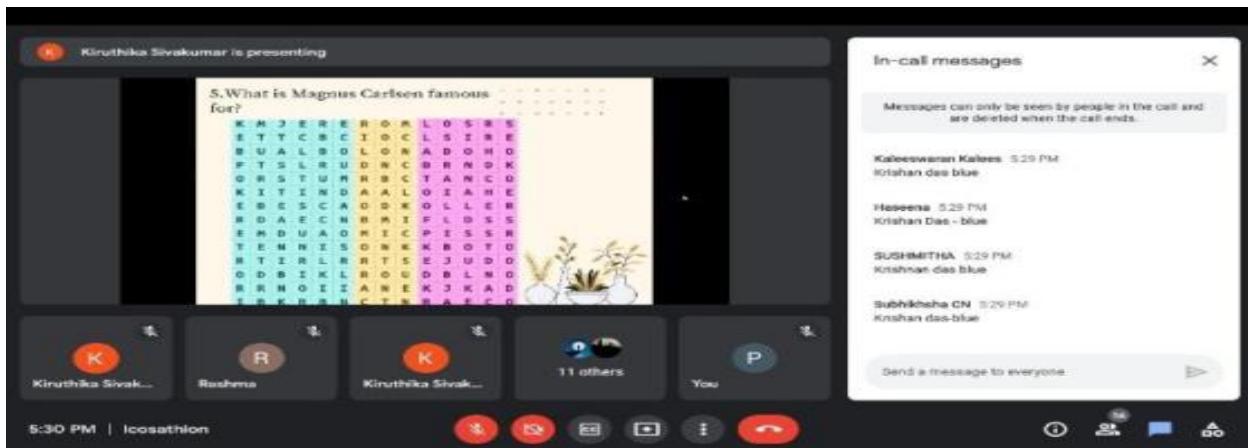

"Webinar on Soft skills – A core skill"

IETE ISF in association with IEEE SB, EDS, PES, PELS, and RAS organized a webinar on the topic Soft skills – A core skill by Dr. Supriya Kumaravelan, an international speaker, Toastmaster Communication & Leadership coach, and soft skill Trainer 5.5.22 from 06.30 PM to 07.30 PM IST. The webinar was conducted through Google meet. The speaker spoke about soft skills and their significance by explaining the differences between soft skills and hard skills. The speaker also shared tips to improve soft skills for future purposes. Nearly 40 participants from various Educational Institutions attended the session. The student coordinators Akshaya, Keerthana, and Yagalakshmi coordinated the event successfully along with the staff coordinators Dr. M P Chitra, HOD/ECE, and Mr. M. Arun, AP/ECE.

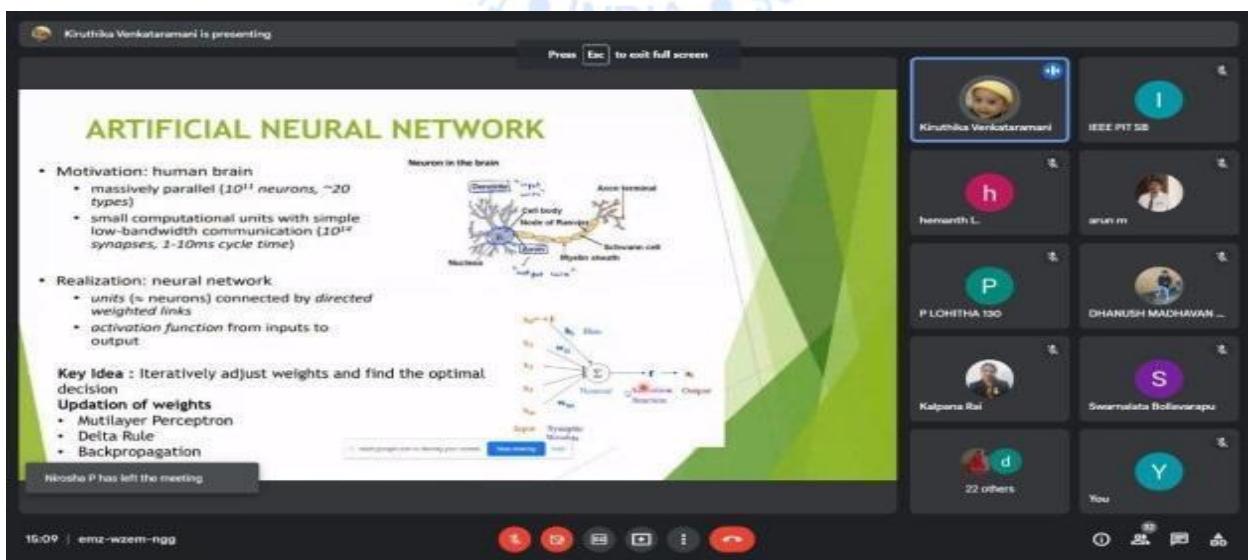

"World Athletics Day – ICOSATHLON"

IETE in association with IEEE SB, IES, Computer Society, and Photonics Society organized an event ICOSATHLON on 7.5.22 from 5.00 pm-6.00 pm IST. Questions were given based on sports and sportspersons. Participants have to find the correct answer in the given word box and are supposed to answer for the same in the chat box. This event mainly focused on improving General knowledge. Around 15 participants from various educational institutions have participated and showcased their knowledge. The Student Coordinators Kiruthika.S and Preethi. R coordinated the event successfully along with the Staff Coordinators Dr. M. P. Chitra, HOD/ECE, and Mr. M. Arun, AP/ECE.

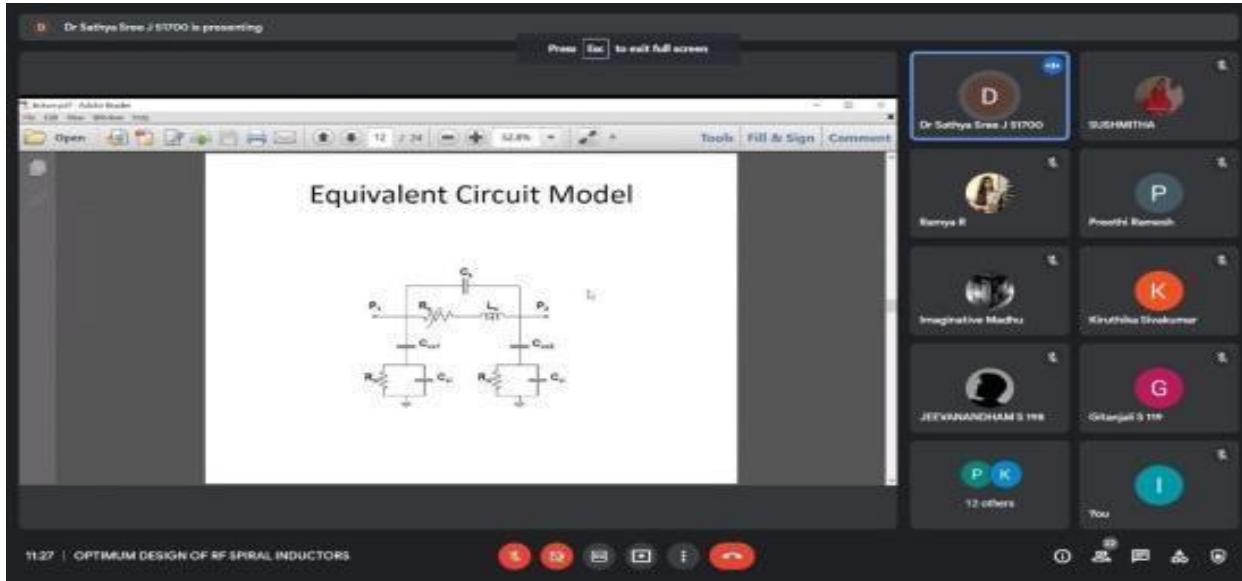

"Machine Learning for Healthcare-Webinar"

IEEE TEMS Madras Chapter, IETE Chennai Centre in association with IEEE SB, and IETE-ISF organized a webinar on the topic Machine Learning for Healthcare by Dr.Kiruthika V, AP Sr., VIT University on the 7.5.22. In the session, the speaker discussed how Machine Learning is used in healthcare and prognostics. She also explained artificial neural networks, Disease detection, and diagnosis. She also gave a detailed explanation of Smart records and Information management systems. Nearly 40 participants from various Educational Institutions attended the webinar. The student coordinators Dhanalakshmi, Aarthi, and Sridevi coordinated the event successfully along with our staff coordinator Dr.M.P.Chitra, HOD/ECE, and Mr. M. Arun, AP/ECE.

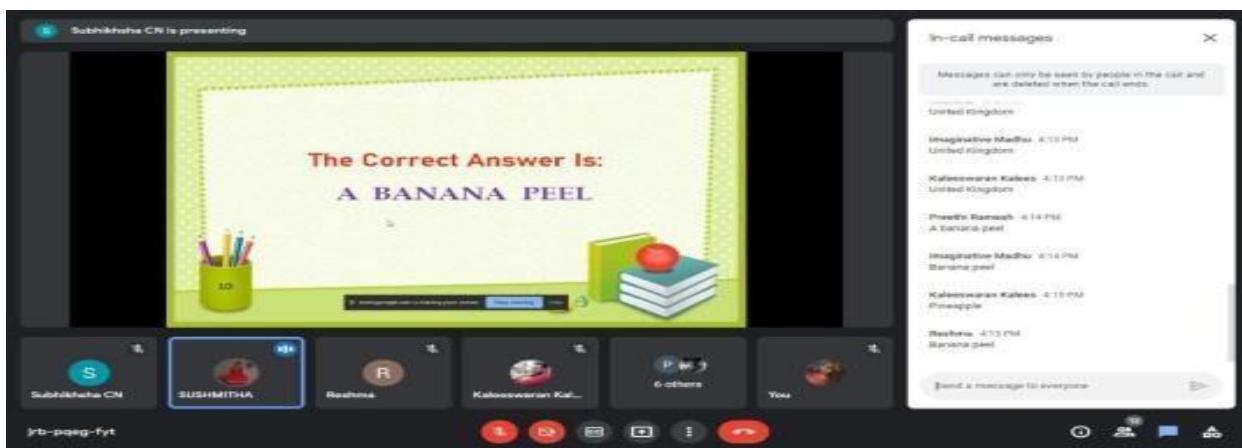

"Optimum Design of RF Spiral Inductors – Webinar"

IEEE TEMS Madras Chapter, IETE Chennai Center in association with Panimalar Institute of Technology, IEEE SB, and IETE-ISF organized a webinar on the topic Optimum Design of RF Spiral Inductors by Dr.J.Sathya Sree, AP/ECE, VIT University, Chennai on 7.5.22. Speaker explained the Equivalent circuit model of RF spiral inductors, difference between spiral inductors and other inductors, etc., . Nearly 30 participants from various Educational Institutions attended the webinar. The student coordinators Dhanalakshmi, Lohitha, and Gracelin Hepsiba coordinated the event successfully along with our staff coordinator Dr.M.P.Chitra, HOD/ECE, and Mr. Mr. M. Arun, AP/ECE.

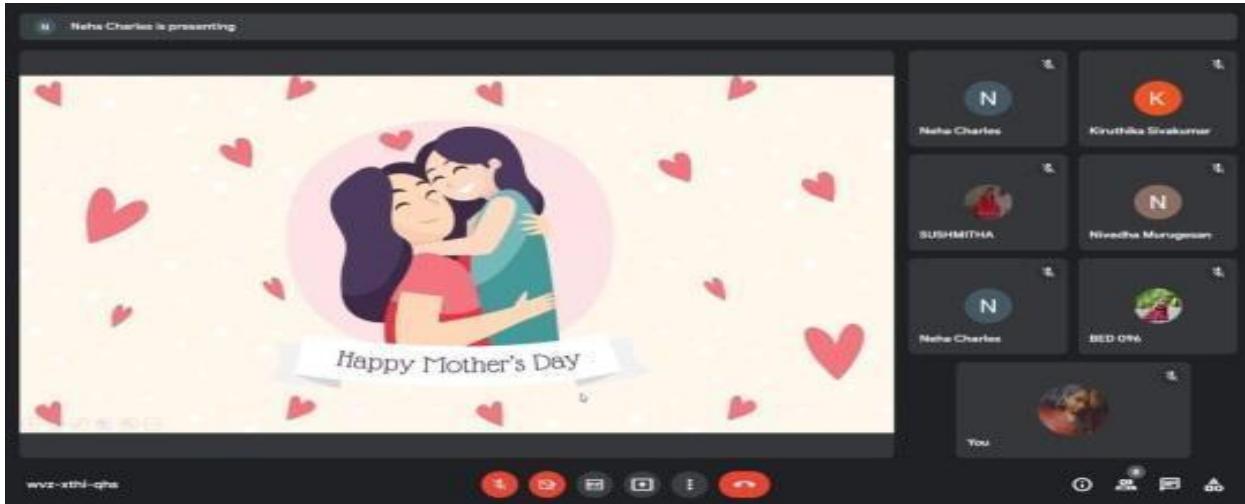

"Event on Pronuncia"

IEEE SB, IETE-ISF , IES, COMSOC, and Photonics has organized an event PRONOUNCED on 8.5.22. Questions were given based on unrelated words. Participants have to interpret the unrelated words into real phrases by pronouncing them promptly. Participants have answered in the chat box. The top 3 were selected as winners. This event is mainly focused on improving pronunciation skills. Around 15 participants from various educational institutions have participated and showcased their knowledge The Student Coordinators Sushmitha and Subhikhsha coordinated the event successfully along with the Staff Coordinators Dr.M.P.Chitra, IEEE SB Counselor, and Mr. M. Arun, AP/ECE.

"Event on Nostalgic Fever"

IETE-ISF, IEEE SB and WIE had organized an event NOSTALGIC FEVER on 8.5.22 from 5.00 pm-6.00 pm IST through Google meet. The event was conducted to celebrate mother's day. 15 number cards were on the display; participants picked a card and described their mother for the given question. Nearly 15 participants from various educational institutions participated in this event and the top three participants were selected as winners. The student coordinators Neha C L and Kiruthika S co-ordinated the event successfully along with the staff coordinator Mr. M. Arun, AP/ECE

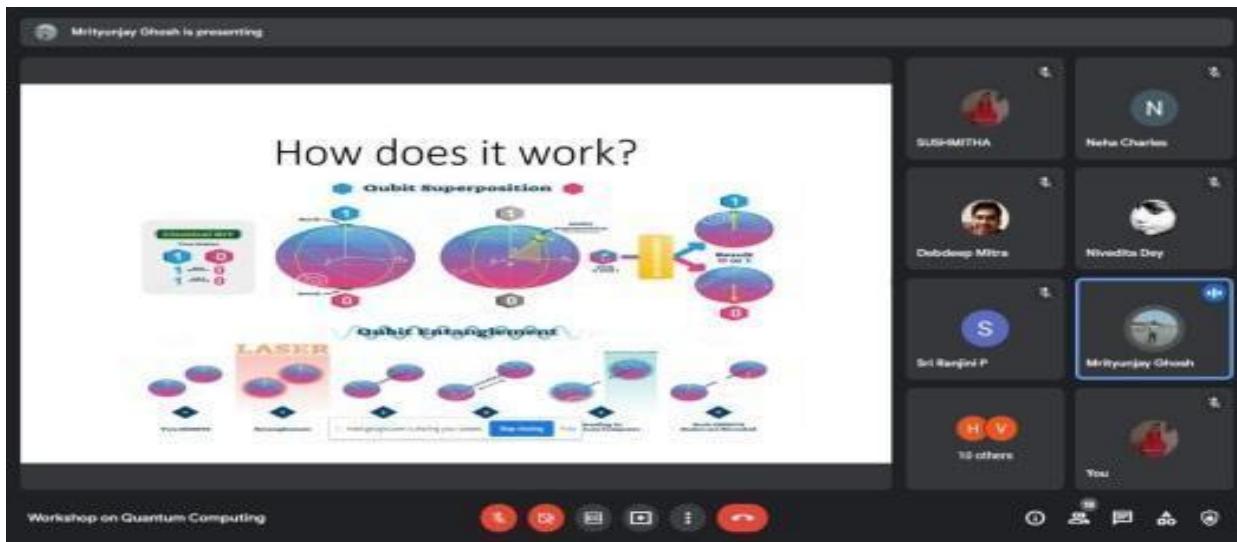

"Event on Brilliant Brushes"

IETE-ISF, IEEE SB and WIE had organized an event BRILLIANT BRUSHES. The event was held to commemorate Mother's Day, so the theme of the event was mothers. Participants were asked to sketch related to the theme and submit their work in the Google form on or before 9.5.22 at 6:00 pm(IST). 5 participants from various educational institutions participated in this event and the winner is selected among them. The student coordinators Neha C L and Kiruthika S co-ordinated the event successfully along with the staff coordinator Mr. M. Arun, AP/ECE.

"Workshop on Quantum Computing"

IEEE SB, IETE- ISF , IIC, IEEE WIE, and EMC organized a 2-Day workshop on the topic Quantum Computing during 14-15 .05.22. The speaker for this workshop was Prof. Amlan Chakrabarti, Head of IT & Tech. Innovation Cell, Government of West Bengal, and Department of Higher education. Speaker elaborated the points about how Quantum Computing works, quantum computing algorithms, and gave hands-on training on quantum computing Applications. It was an informative session for participants. Nearly 30 participants from various educational institutions attended this workshop on both days. The Student Coordinators Sushmitha, Neha, and Yugalakshmi coordinated the workshop successfully along with the Staff Coordinators Dr.M.P.Chithra, HOD/ECE, and Mr. M. Arun, Mr. M. Arun, AP/ECE.

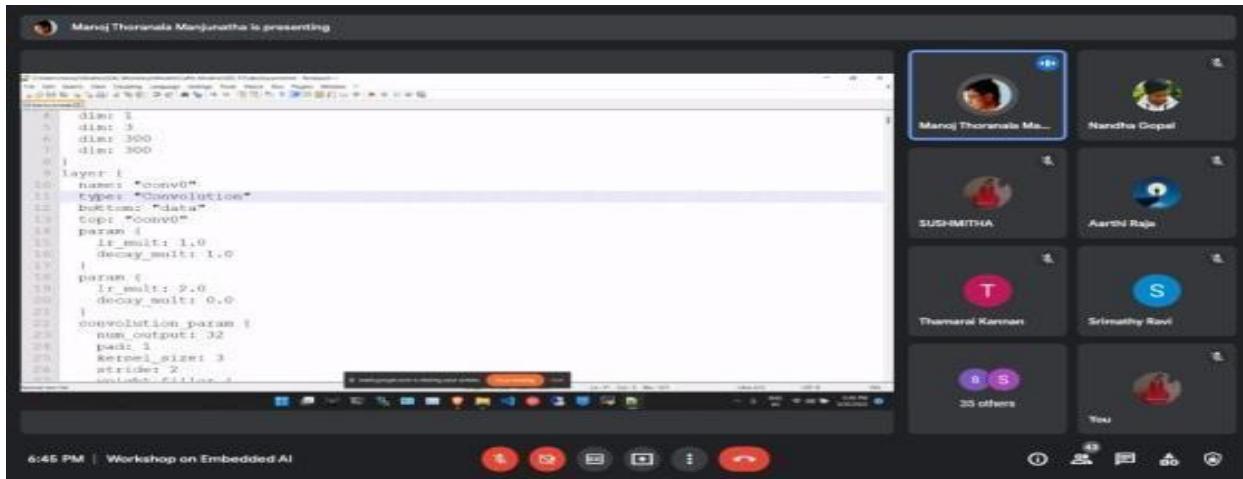

"Event on Musee-Man"

IEEE SB, IETE-ISF, IEEE TEMS, and IAS had organized an event MUSEE- MAN" on the occasion of International Museum Day on 18.5.22, from 6.00 pm to 7.00 pm IST. Questions about various museums were asked. Relevant clues were given to the participants to find the answer. Points were awarded to the participants who answered correctly and participants with maximum points were selected as winners. Participants enthusiastically answered the questions. Through this event, it was ensured that the participants gained a lot of interesting facts about the museum. Around 20 participants from various educational institutions participated in this event. The student coordinator Gracina coordinated the event successfully along with the staff coordinator Mr. M. Arun, AP/ECE.

"Workshop on Embedded AI"

IEEE SB, IETE-ISF, ICS, IEEE WIE, and RAS organized a 2-Day workshop on the topic Embedded AI during 21 and 22 May 2022. The speaker for this workshop was Mr. Manoj Thoranala Manjunatha -Autodidact (Embedded AI, Robotics, IoT). In his lecture, the speaker included the points about how the Embedded AI works, explained the Embedded AI algorithms, and gave hands-on training on Embedded AI Applications. Nearly 45+ participants from various educational institutions attended this workshop on both days. The Student Coordinators Sushmitha, Sridevi, and Dhanalakshmi coordinated the workshop successfully along with the Staff Coordinators Dr.M.P.Chitra, HOD/ECE, and Mr. M. Arun, AP/ECE.

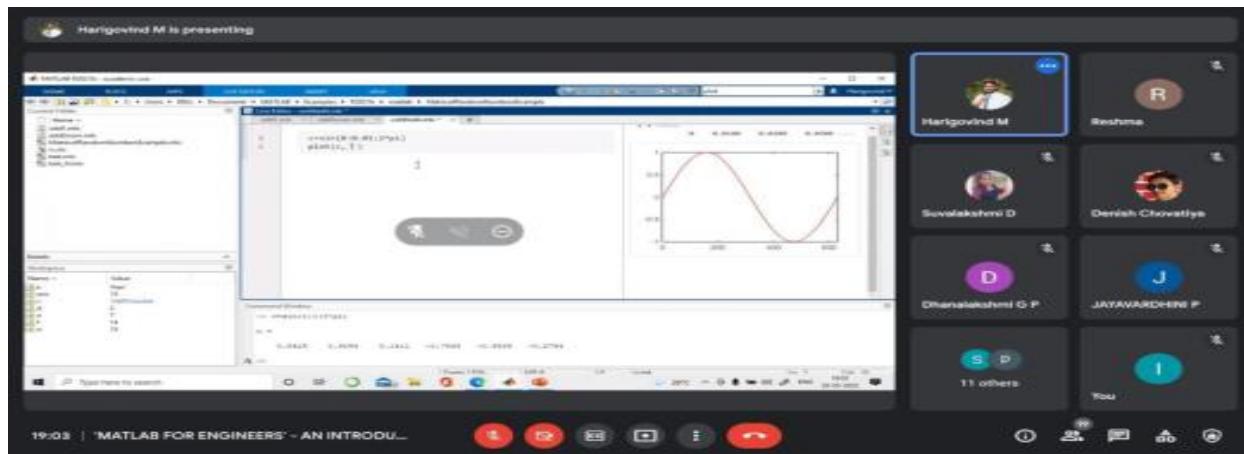

"Nobicom'22 A National Level Symposium"

IEEE SB, IETE-ISF, IEEE PELS, IEEE PES, IEEE TEMS organized NOBICOM'22 a technical symposium on 28.5.22. The symposium consisted of various events namely paper presentation, project expo, idea pitching, Technical debate and many other non-technical events. The participants participated as a team and as individuals. There were nearly 150+ participants. The Coordinators Manju.M and Darshan.S coordinated successfully along with the Staff Coordinators Dr.M.P.Chitra, HOD/ECE and Mr. M. Arun, AP/ECE.

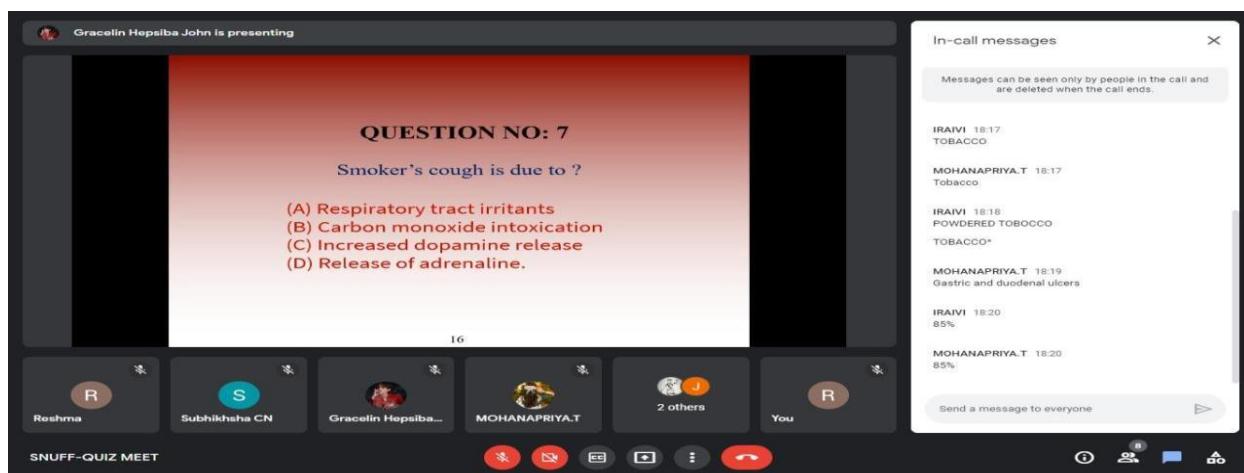

"Workshop on MATLAB for Engineers- An Introduction To Matlab And Simulink"

IEEE SB in association with IETE, IEEE Photonics, IEEE Signal Processing Society, and Entrepreneurship had organized a 2-day workshop on the topic MATLAB for Engineers-An Introduction to MATLAB AND SIMULINK . The sessions were held on 28&29.05.22. The speaker for this workshop was Mr. M. Harigovind, Assistant System Engineer at TCS and IEEE PES YP Technical Committee Member. In his oration, he explained briefly what Matlab is and how we need to simulate it. He also added his points about its applications. He also explained practically how we need to execute programs and coding in Matlab.. Nearly 35 participants from various colleges and educational institutions attended this workshop. The student coordinators Dhanalakshmi, Keerthana, and Sushmitha coordinated the workshop successfully along with our staff coordinators Dr.M.P.Chitra, HOD/ECE, and Mr. M. Arun, AP/ECE.

"SNUFF-QUIZ – EVENT"

IEEE SB, IETE, IEEE TEMS, and IAS had organized an event SNUFF-QUIZ on the occasion of World No Tobacco Day on 31.5.22. The questions were related to tobacco. Questions were displayed on the screen. Participants need to find the correct answer and type it in a chat box. The participants who typed the correct answer are considered winners. The top 3 performers were selected as winners. This event mainly focused on creating awareness among students about the harmfulness of tobacco. Around 10 participants from various educational institutions participated and showcased their talent. The student coordinators B.Reshma and C.N.Subhiksha coordinated the event successfully along with the staff coordinator Mr. M. Arun, AP/ECE.

Sri Sairam Engineering College, Chennai***"World Telecommunication Day celebration"***

ISF celebrated the IETE World Telecommunication day on 17.05.2022 at Gamma hall with 125 participants from II year and III year ECE. A Letter from the IETE head office was read, stating the importance of communication and declaring the Theme for the year Digital Technologies for Older Persons and Healthy Ageing. The theme emphasizes the use of information technologies and their importance to stay healthy, connected, and independent on a physical, emotional, and financial level. Chief Guest, Mr S Arunsundar, Systems Engineer, CVRDE, DRDO EC member IETE Chennai centre. The Chief guest elaborated on the "IoT systems and its architecture", followed by interactive speech, QUIZ, CIRCUIT JUMBLE & SURPRISE events were conducted by the student organizers.

***"Mini Project Exhibition"***

Sri Sairam Engineering College Department of ECE in association with IETE Student forum organized Techxhibit 2k 22 A Mini Project Exhibitions on 31.05.2022. Third year ECE Students with innovative projects on recent technology participated in the competition. Prizes were distributed for the best projects.

"Webinar on Essentials of Technical Recruitment with Problem Solving Approaches"

Webinar was organized by Electronics and Communication Engineers Association (ECEA) in association with IETE-ISF and Robotics and Artificial Intelligence Club (RAIC). Ms. Subhashree B, Honorary Treasurer, ECEA introduced the Chief Guest Mr. Venkatraman Sampath. Mr. Venkatraman Sampath, Alumni, AP/ ECE, Sri Sai Ram Institute of Technology, Chennai. The speaker commenced the session by explaining different stages of recruitment and the importance of technical exams in the recruitment. He then briefed on different technical exams like UPSC IES, STATE PSU's, CENTRAL PSU's and their patterns. He then explained about the ways to prepare for the recruitment process. He solved some problems to explain the different question formats. He then shared various resources that help the preparation.

The screenshot shows a video conference interface. On the left, a slide titled "LOGICAL GUESSING/SELECTION EXAMPLE 4" displays a math problem about sampling a continuous-time signal. It lists four options (A, B, C, D) and shows handwritten calculations for option B, leading to the correct answer. On the right, a participant list shows several names and profile pictures, with "Venkatraman S" highlighted in a blue box. The bottom of the screen shows standard video conference controls.

"IETE Inaugural function"

ISF at ECE Dept. organized IETE Inauguration for student's forum 2022 on 26.04.2022. The Chief Guest Mrs.T.J.Jeyaprabha, Associate Professor, Sri Venkateswara College of Engineering, Sriperumbudur spoke about "Cyber Security". ISF coordinator Prof.Dr.S.Mary Joans, HOD/ECE coordinated the event.

"Technical Quiz & Tech-A-Thon Competition"

ISF at ECE Dept. organized conducted Technical Quiz & Tech-A-Thon Competition for Second & Third Year Students on 26.04.22. ISF coordinator Prof.Dr.S.Mary Joans, HOD/ECE coordinated the event.

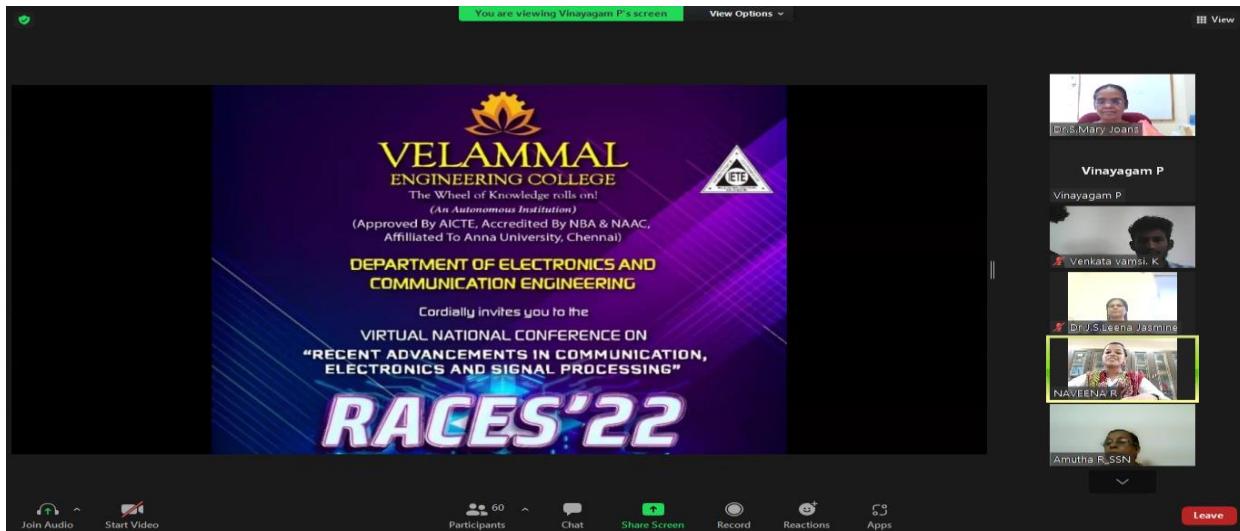

"Mini Project Contest "

ISF at ECE Dept. organized A Mini Project Contest INVENTRONIX 2K-22 with the objective of sharing the knowledge gained by Second & Third Year students on 22.04.22. ISF coordinator Prof.Dr.S.Mary Joans, HOD/ECE coordinated the event.

"Virtual National Conference on Recent Advancements in Communication, Electronics and Signal Processing RACES'22 "

ISF at ECE Dept. organized Virtual National Conference On Recent Advancements In Communication, Electronics and Signal Processing RACES'22 for the students & Research community on 06.05.22. ISF coordinator Prof.Dr.S.Mary Joans, HOD/ECE coordinated the event.

Guidelines

Event Announcements

Events organized with IETE tag which includes IETE ISF activities, IETE Chennai Chapter activities which are directly organized / co-organized or technically sponsored or any other association with IETE, shall be informed to IETE Chennai Chapter in the mail id ietechennailink@gmail.com.

Event Reporting for News Letter (NL) Publishing

Please follow the guidelines given below for reporting events to be published in the newsletter through IETE Chennai LINK

Report only the events organized by IETE (technical / financial). Avoid reporting events that are irrelevant for publishing in IETE Chennai centre Newsletter.

Only ISF Coordinators shall report the consolidated events organized in a college. Newsletter reporting of a particular month shall be submitted before 5th date of next month.

Use SINGLE column format and the content may be in .doc / .docx formats only.

It is preferred to have a picture associated with the event. DO NOT embed the photograph in the report document. Send three relevant photo separately, in .jpg format, clearly indicating the photo corresponding to which event in case of multiple events being conducted and reported in a calendar month.

The size of photo shall not exceed 1MB (1024 x 1024 pixels max.); you may do necessary cropping / re-sizing, but ensure that the information is not lost and clarity is preserved.

Send the NL contents by email with the subject IETE ISF Activity Report of < College name in short, Location> for < Month > <Year > Example: IETE ISF Activity Report of SVCE, Sriperumbudur for April 2021.

Send the NL contents by email ietechennailink@gmail.com.

Individual events report should be submitted after successful completion of the event in the following link. <https://tinyurl.com/IETECHENNAILINK>

Pl. co-operate with us by adhering to the guidelines specified. Please note that the reports not adhering to these guidelines will not get published. The Editorial reserves right to do editing as required for clear publishing of reports.
