From Chairman's Desk

Dear Members,

It is my great pleasure to extend heartfelt greetings to the readers of the Volume two - first issue of the Newsletter of IETE Chennai Centre. Chenlink Newsletter is aimed to showcase the activities of Chennai Centre and achievements of its members during every month.

IETE Chennai center organized Paper Presentation, Project expo contest and celebrated Students Day-2022 during March.

I have recently inaugurated four new ISF's namely Rajagopal Polytechnic College, Gudiyatham, Rajalakshmi Institute of Technology and St. Joseph's College of Engineering, OMR Chennai, Vel Tech Multi Tech Dr.Rangarajan Dr.Sakunthala Engineering College,Chennai.

I welcome suggestions to enable us to enhance the activities of the Chennai center collectively.

Stay healthy and stay safe!

Warm regards,

A handwritten signature in black ink, appearing to read "N. Venkateswaran".

N.Venkateswaran

Chairman, IETE Chennai Centre

From Editor's Desk

Dear Members,

I am pleased to present the Volume Two, First issue of IETE CHENLINK, the IETE Chennai Centre's newsletter. I am happy to note that colleges have followed the new guidelines in event reporting. However, I once again remind to kindly inform the events planned for subsequent months, well in advance for possible inclusion in newsletter.

I welcome suggestions to enable us to enhance the quality of Newsletter of the Chennai center.

Warm regards,

A handwritten signature in black ink, appearing to read "M. Arun".

M. ARUN

Editor, IETE Chen Link Newsletter

IETE Chennai Center**Students Day – 2022 Celebration**

IETE Chennai Centre Celebrated the Students Day on Tuesday March 31, 2022 from 18:00 hrs at IETE Hall, Gopalapuram, Chennai. The function started with welcome address by Dr. N Venkatswaran, Chairman , IETE Chnnai Centre, who briefed about the Students Day Celebration on the various activities undertaken by the IETE Chennai Centre, and thereafter by Hony Treasurer Prof T J Jeyprabha, readout the President's Message. Chief Guest & Distinguished Speaker Dr Ananad Lakshmanan, Department of Engineering Design, IIT, Chennai. Chief Guest delivered a talk and Distributed the prizes to Best ISF Award winners & Winners of Paper Presentation & Project Expo. The function concluded with vote of thanks from Prof M Arun, Co opted Member, followed by Dinner.

BEST ISF AWARD – 2020-21

IETE Chennai Centre honored ISF & ISF Coordinators for their outstanding and exemplary contribution towards conducting of Technical Lecture meetings, Workshops, Students Paper Presentation, National & International Conference and Industrial Visits for the period 2020 – 2021.

S.No.	AWARD	Name of the College
1	BEST ISF AWARD FIRST PRIZE	Sairam Engineering College
2	BEST ISF AWARD SECOND PRIZE	Sri Venkateswara College of Engineering
3	BEST ISF AWARD THIRD PRIZE	Jeppiar Institute of Technology
4	MOST ACTIVE ISF AWARD	RMK College of Engineering
5	MOST ACTIVE ISF AWARD	SRM Valliammai Engineering College
6	MOST ACTIVE ISF AWARD	Sairam Institute of Technology
7	EMERGING ISF AWARD	KCG College of Technology
8	EMERGING ISF AWARD	Easwari Engineering College
9	EMERGING ISF AWARD	Panimalar Institute of Technology
10	EMERGING ISF AWARD	VelTech MultiTech Dr. RR Dr.SR Engineering College
11	SPECIAL AWARD	B.S.Abdur Rahman Crescent Institute of Science and Technology
12	SPECIAL AWARD	Velammal Engineering College

Paper Presentation / Project Expo Competition

IETE Chennai centre conducted a Paper Presentation / Project Expo Competition was organized on 25March & 27 March 2022. The criteria for deciding the winners were based on the technology, clarity, content, results and presentation capabilities. The students have shown utmost enthusiasm during this event and also emphasized on the need for more such events from IETE, Chennai on a periodic basis.

Based on the aforementioned criteria, the students from the following colleges were selected for the cash prizes:

Project Expo

S. No.	PROJECT TITLE	PARTICIPANTS NAME	COLLEGE NAME	WINNERS
1	Prana Concentrator And Accumulator	R.Aruneshwar	T.S.Srinivasan Centre for Polytechnic College and Advanced Training	FIRST Rs.3000
		R.Thirumurugan		
		R.Hinthkrish		
2	Getlifeapplication	Asuvath M.S	Vel Tech Multi Tech Dr. Rangarajan Dr.Sakunthala Engineering College	SECOND Rs.2000
		Dhamodharan M		
		Thulasi Balaji B		
		Arthy P.S		
3	Flare-Preventive Safety Watch For Women And Kids	Anandhan R	Aarupadai Veedu Institute Of Technology	THIRD Rs.1000
		Veeramuniswaran.P		
		Manobala.M.K		

Paper Presentation

S. No.	PROJECT TITLE	PARTICIPANTS NAME	COLLEGE NAME	WINNERS
1	Application of Data Science Techniques for Mapping and Prediction of Land Subsidence.	Aaradhyanidhi Aiyer	Sri Sairam Institute of Technology	FIRST Rs.3000
		Uthirasree M		
		Jeya Ganesan J		
2	Fire Fighting Robot with Image Capturing Technology	Shaik Nihal	Hindustan Institute of Technology And Science	SECOND Rs.2000
		Dr. S. PRABHA		
3	Congenital Ventricular Septal Defect Permeability Characteristics Determination using Computed Tomography	Abdul Hakeem S H	R.M.K. Engineering College	THIRD Rs.1000
		Adhitya S M		
		Aadhibabu P		
		Ms.T.D SUBHA		

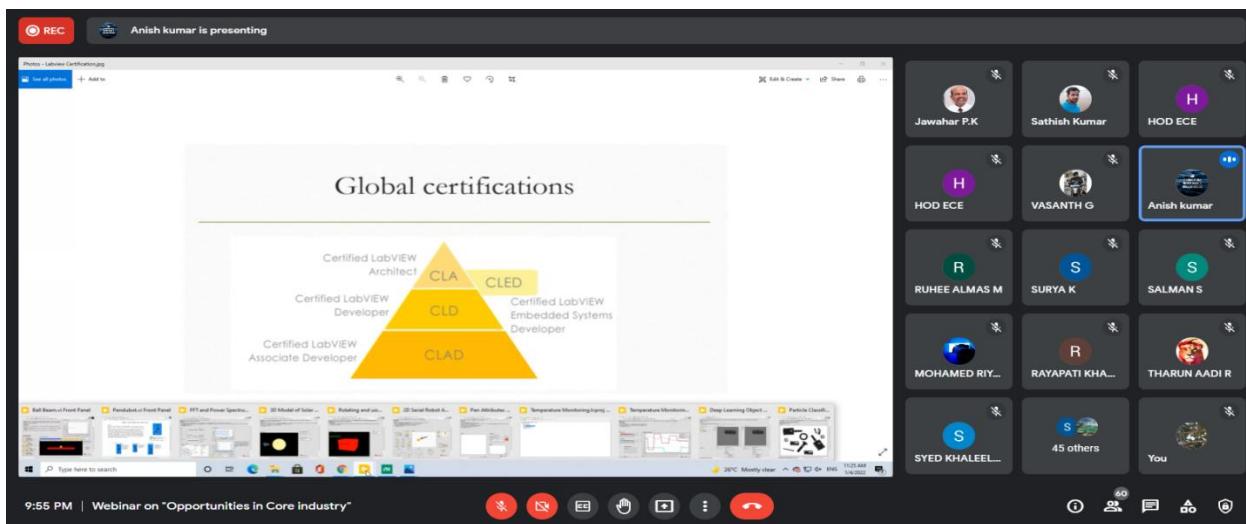

IETE ISF Activities

B.S. Abdur Rahman Crescent Institute of Science and Technology, Chennai

"Webinar on Opportunities in Core Industry"

ISF at ECE Dept. organized a webinar on opportunities in core industry held on 04.01.22 @ 11.00 a.m in online mode. The inauguration was graced by HOD/ECE Dr.C.Tharini and followed by speech delivered on the importance of NI –CDP lab by Dr.P.K.Jawahar,Prof/ECE. Around 60 students were attended the event. The Speaker was Mr. Anish Kumar and Mr.Sathish Kumar delivered about the opportunities in core industry to the participants. Mrs. Anusooya.S, ISF coordinator, Mrs.R.Anitha & Mrs.Jean Shilpa.V coordinated the event.

"Quiz"

IETE ISF organized a QUIZ from 22.02.22 to 24.02.22. The event was organized by Shobana L and Seshadri. There were more than 40 participants participated in the event.

"Technical Talk"

IETE ISF Conducted a Technical Event as Technical Talk on 10.03.22 through Google Meet. The event was organized in order to improve student's technical knowledge. There were more than 30 participants.

"Webinar on Young Entrepreneur Talk"

IETE ISF Conducted dream tech webinar series Webinar on Young Entrepreneur talk on 12.03.22 with speaker Mr. Gautham Palaniswamy through Google Meet. The event was organized for student's development and to improve their knowledge. There were more than 60 Participants in the session.

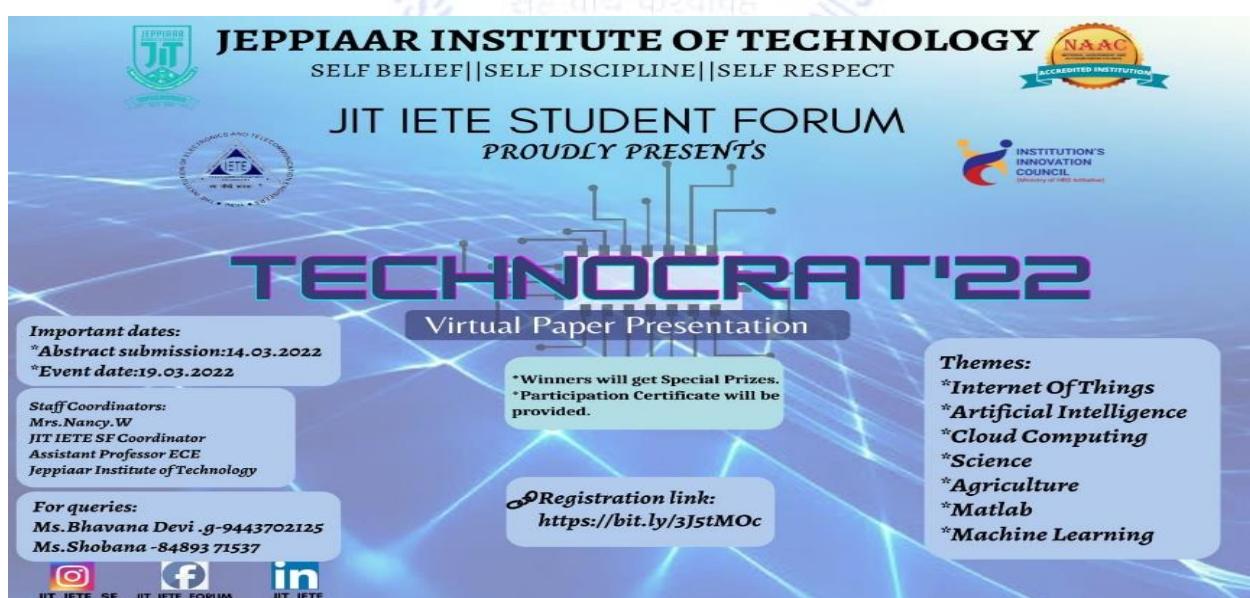

"Translate Me"

IETE ISF Conducted an Online non – technical fun filled event TRANSLATE ME on 14.03.22 by Ruaminie H and Maharajan K through google meet with more than 40 participants. The event was colorful and fun filled. Participants asked to Translate the sentences that displayed in the screen.

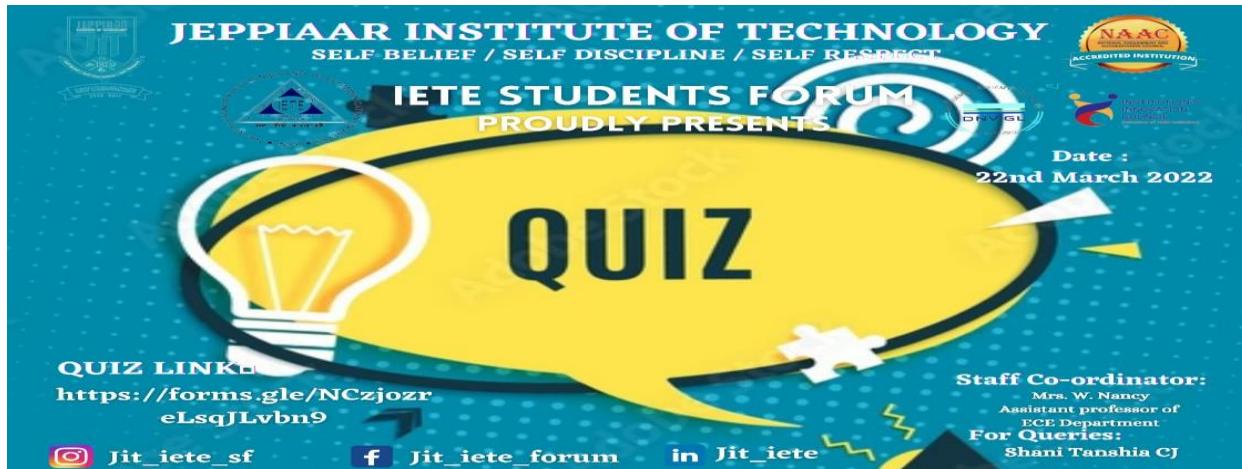

**"TECHNOCRAT'22"**

IETE ISF Organized TECHNOCRAT'22 (Virtual Paper Presentation) on 19-03-2022. 10 Teams have actively participated in the competition. The event was hosted with the chief guest Mr. Gowrisan, Assistant Professor at Govt. college of Engineering, Erode.

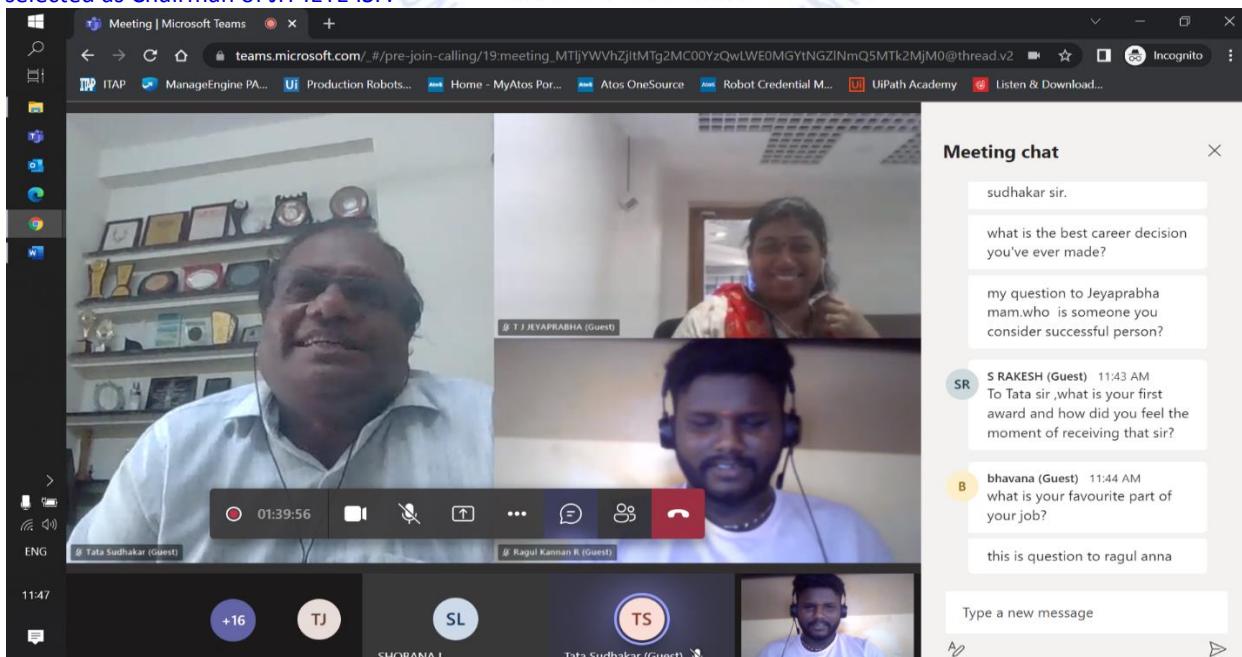

"Quizz"

IETE ISF organized a Technical QUIZZ on 22.03.22. The event was organized by Shani Tanisha CJ. There were more than 50 participants. The event was conducted through google meet. The event was all about expressing their knowledge in technical field.

"IETE Day Celebration"

IETE ISF Organized IETE Day Celebration on 26.03.22 conducted Panel Discussion on How to be Successful as a IETE member with the Chief guest Dr. Tata Sudhakar, Scientist at National Institute of Ocean Technology, Chennai and Ms. T. Jeyaprbha, Honorary Treasurer of IETE Chennai Centre, Associate Professor at Sri Venkateshwara College of Engineering and Mr. Ragul Kannan R, Software Engineer at ATOS India Private Ltd, Chennai. The IETE Yearly Magazine was launched by the Dignitaries. Technocrat'22 Winners were announced by our Chief Guests. Glimpse of JIT IETE ISF were shared in the screen in front of dignitaries. The New ExCom members were Selected for the year 22-23 based on the skills and taken pledge to work for the community. Ms. Shobana L from 3rd Year ECE was selected as Chairman of JIT IETE ISF.

Kings Engineering College, Irungattukottai.

"Hands on Training with IoT Using Arduino"

ISF, ECE dept. in association with Electronics Club organized Hands on Training with IoT Using Arduino by the Dr. C. Balasubramanian, Associate Prof., Kalasalingam Academic and Research Education on 31.01.22. Around 20 faculty members and 154 ISF students attended the event, which includes Second and Third year ECE dept. students. From this event students learnt about basic concept of Programming Arduino using opensource tool in a more interactive way and participants were able to understand the simple and basic programming concept using Arduino. Vote of thanks was proposed by Electronics Club Convenor Mrs.A.Sumathi, AP, ECE.

"International Virtual Conference on Research Innovation in Science, Engineering and Technology IVCRISSET 2022"

ISF, ECE dept. in association with IETE organized International Virtual Conference on Research Innovation in Science, Engineering and Technology IVCRISSET 2022 by the resource Person Dr Huang Sunan, Senior Research Scientist Temasek Laboratories, National University of Singapore on 01.03.22 and 02.03.22,. Around 150 faculty members, Research scholars and student participants presented their research ideas and three best papers were selected and awarded. From this event various new research and innovations were exposed by the participants. Vote of thanks was proposed by Dr.A.Thenmozhi, Professor, ECE.

Panimalar Institute of Technology, Chennai

"Webinar on Global Study and Job Opportunities"

IETE ISF in association with Global Education and Careers forum has organized a Global Study and Job Opportunities on 20.1.2021. Our energetic speaker presented her presentation in an interactive way. She explained about the Indo-UK Higher education and careers summit from 2021 -2022. She also described the economy, Human development Index. Nearly 50+ students enthusiastically participated in this session. The student coordinators Dhanalakshmi, Sridevi and Sowmiya successfully coordinated the event along with Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE.

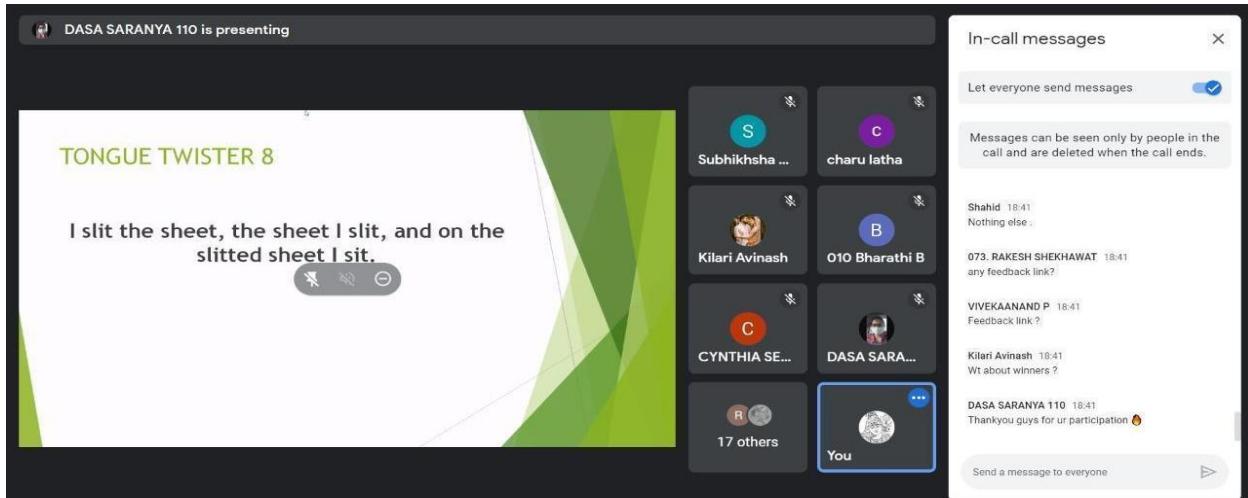

"Event on Pen Your Creativity"

IETE ISF in association with IEEE, CSI, has organised Pen Your Creativity- Essay writing competition on 26.1.2022 from 8.00 am – 8.00 pm IST in accordance with Republic Day. In the event the participants were asked to write informative essays on the topic The Constitution of India. Nearly 10+ participants attended the event. The participants enthusiastically Participated in the event and made the event a grand success by showcasing their writing skill. Nandhini R from Panimalar Institute of Technology secured first place. The Student Coordinators Divya Sri and Thirunilainayagi coordinated the event along with Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE and Dr. V. Subedha, HOD/ CSE.

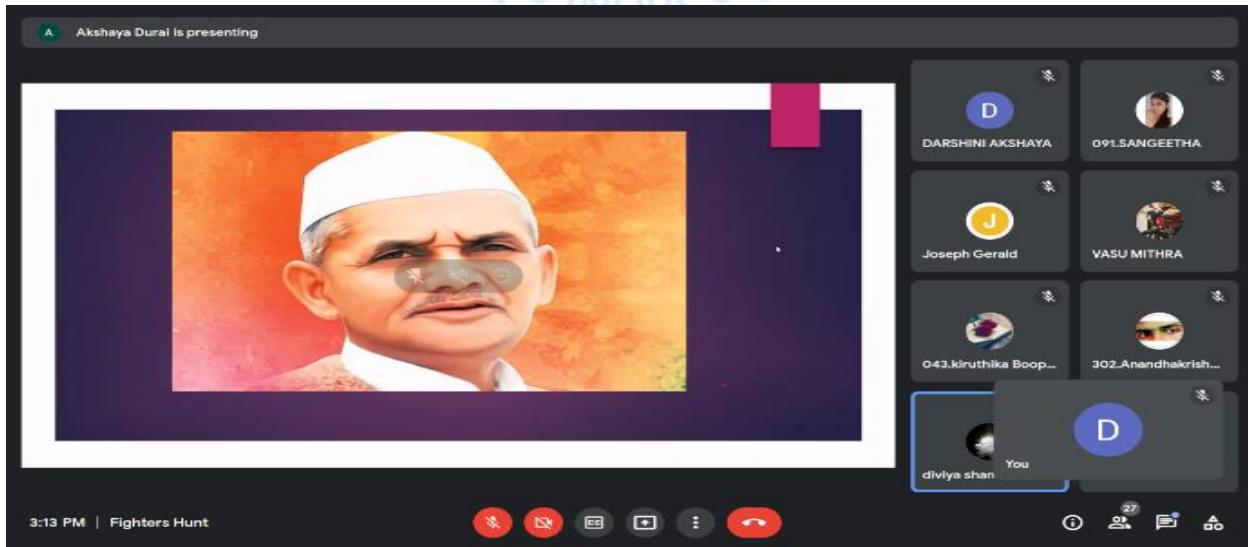

"Event on Tung Tweez"

IETE ISF in association with IEEE, CSI, has organized a Tung Tweez (Tongue Twister Competition) on 26.1.2022 in Accordance with Republic Day. In the event the participants had to try the given tongue twisters. Nearly 25 participants from various educational institutions attended the event. The participants enthusiastically Participated in the event and made the event fun - filled with the twisters. Narkeesh k from Panimalar Institute of Technology secured first place. The Student Coordinators DivyaSri, Gracelin Hepsiba J, Thirunilainayagi coordinated the event along with Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE and Dr. V. Subedha, HOD/CSE.

"Event on Fighters Hunt"

IETE ISF in association with IEEE, IETE, CSI, has organized a Fighters Hunt on 26.1.2022 in Accordance with Republic Day. In the event the participants were given the pictures of leaders on the screen who fought for Indian independence and asked to find their name. Nearly 25 participants from various educational institutions attended the event. Rakesh Shekhawat secured first place, Vasu Mithra secured second place, Gokulnath secured third place. The Student Coordinators Divya Sri, Gracelin Hepsiba J, Thirunilainayagi coordinated the event along with Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE and Dr. V. Subedha, HOD/CSE.

"Event on Kavicholai "

IETE ISF in association with IEEE, CSI organized an event Kavicholai – Kavithai writing Event on 26.01.2022 as a part of Republic Day Celebration. In the event the participants have to write creative poems on the topic Patriotism in either English or Tamil. Nearly 10 participants attended the event. Vadiyemgati Kalpana from Panimalar Institute of Technology secured first place. The Student Coordinators are Divya Sri and Thirunilainayagi coordinated the event along with Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE and Dr. V. Subedha, HOD/CSE.

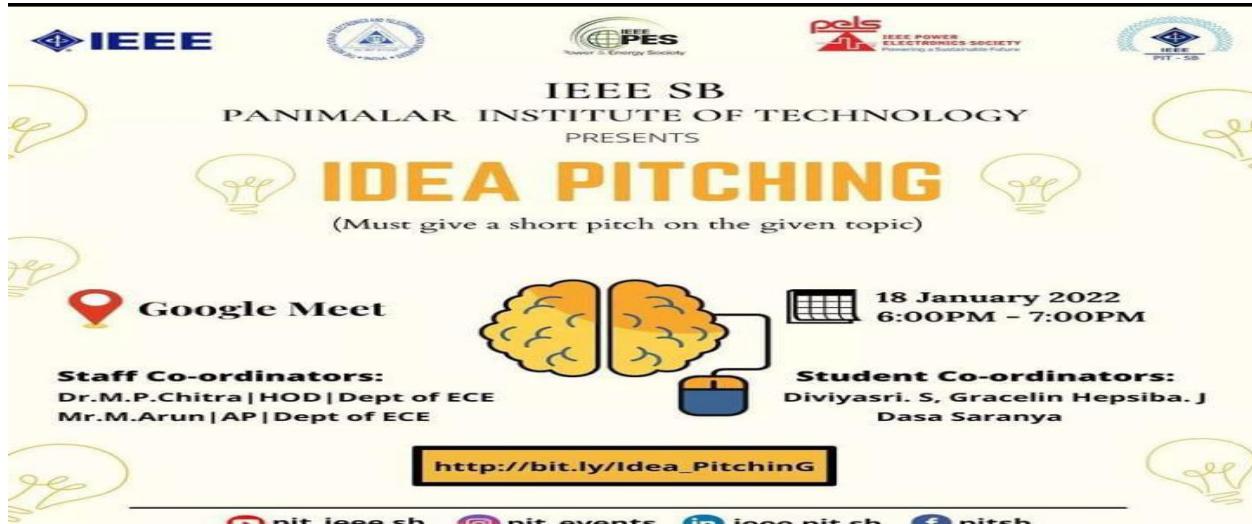

"Webinar on Tips on How to Stay Motivated"

IETE ISF in association with IEEE, IEEE TEMS, PES, WIE organized a Webinar on the topic Tips on how to stay motivated by Mr. Vijay Pravin, Founder and CEO BitsCrunch GmbH on 10.1.22. The speaker talked about the importance of staying motivated and explained the benefits of it. He also shared many examples from his personal life. He motivated students to be active and come out of their comfort zone. He addressed the various queries of the participants. Nearly 30+ The Student Coordinators Lohitha, Sridevi and Dhanalakshmi successfully coordinated the event along with Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE.

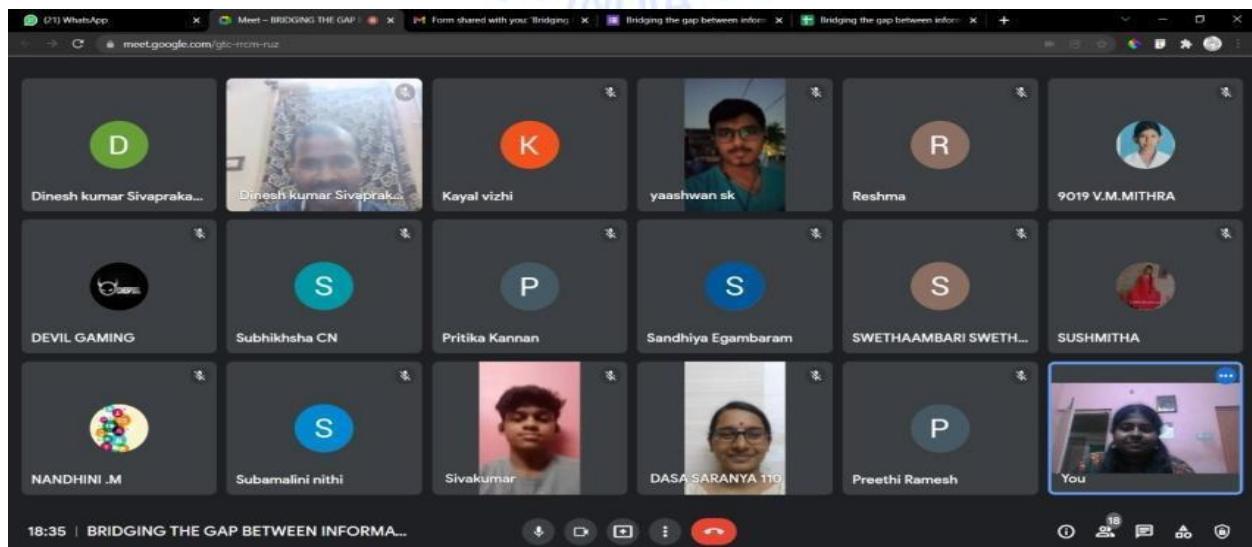

"Event on Idea Pitching"

IETE ISF in association with IEEE, IEEE PES, IEEE PELS, has organized an Idea Pitching event on 18.1.2022. Various students have presented their ideas and explained their presentation. All teams were focusing on bringing solutions to the struggles which were faced in the societies. Out of 5 top 3 members were selected as the winners and rewarded with the certificates. The students' coordinators Divyasri. S, Gracelin Hepsiba. J and Dasa Saranya coordinated the event along with Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE.

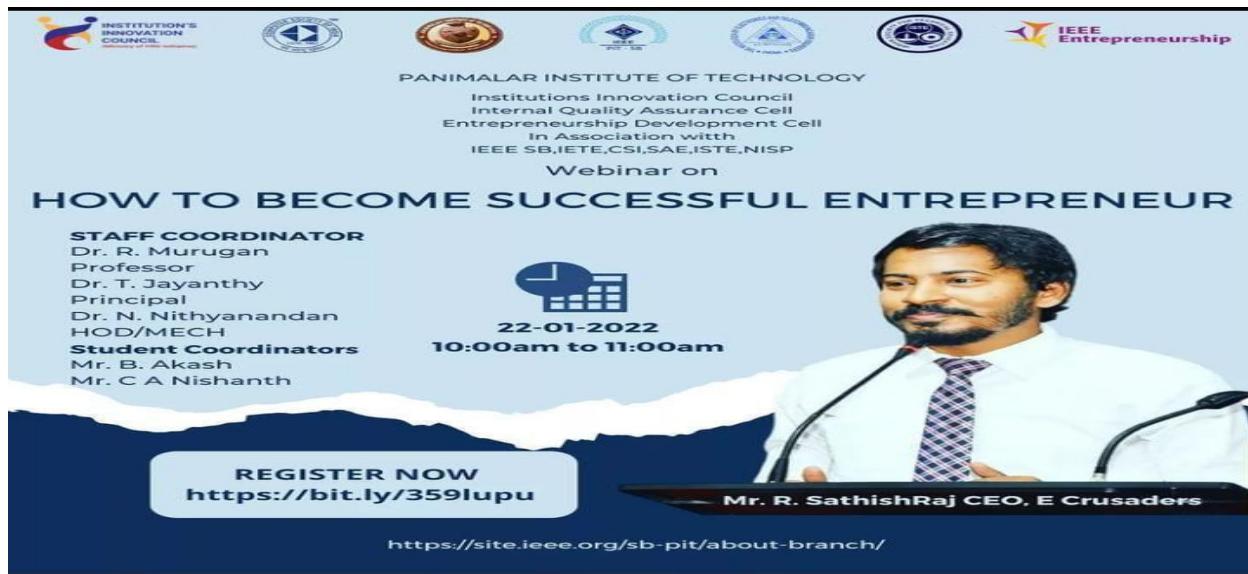

"Webinar on Bridging Gap between Information Technology and Infrastructure"

IETE ISF in association with IEEE, IEEE PES, IEEE PELS, IEEE TEMS conducted webinar on Bridging Gap Between Information Technology and Infrastructure by Mr. Dinesh Kumar S., Associate Consultant and Solution Architect at TCS on 21.1.2022. In the session the speaker shared about the term's backend, server, cloud computing, end computing and the interconnection between them and also about brief introduction on infrastructure. Nearly 30+ participants participated in the session. The student coordinators Thirunilainayagi, Dasa Saranya, Divya Sri coordinated the event along with Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE and Dr. V. Subedha, HOD|Dept. of CSE.

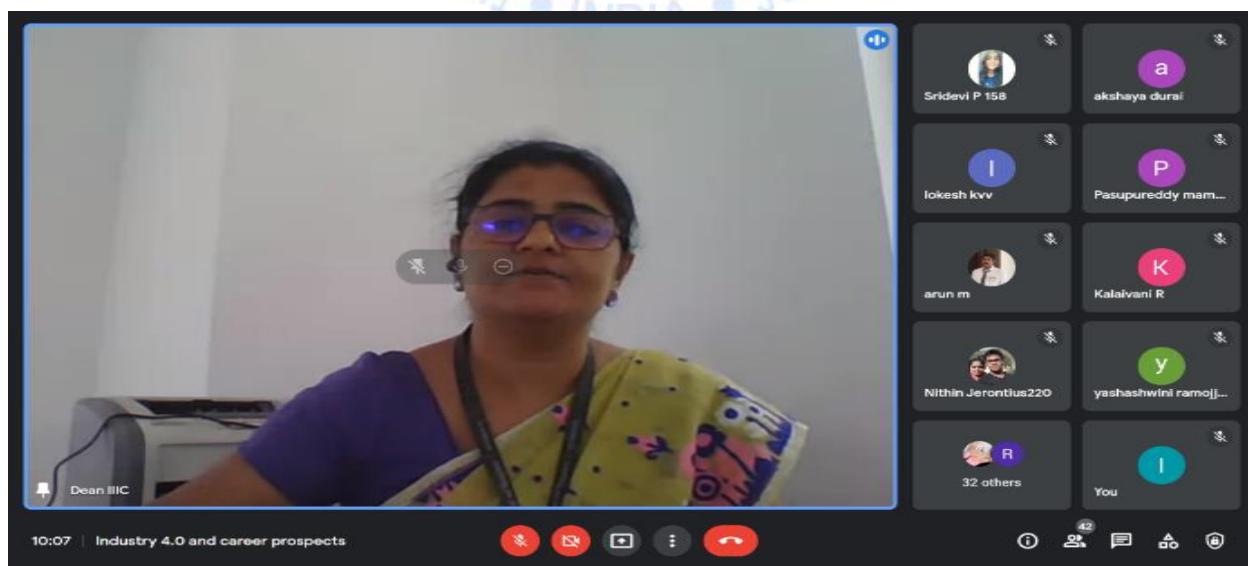

"Webinar on How to Become Successful Entrepreneur"

IETE ISF in association with IEEE, IEEE Computer Society, SIT organized a guest lecture on How To become a Successful Entrepreneur by Mr. R. Sathish Raj CEO, E Crusaders on 22.1.2021. The speaker gave a lecture and some valuable points on how to start with entrepreneurship skills and why we should get to learn these skills and the skills attained through it. The speaker also shared his first Experience as an Entrepreneur. Nearly 70 Participants attended the webinar. Student coordinators Mr. B. Akash, Mr. C. A. Nishanth coordinated the event along with Dr. R. Murugan, Professor along with Dr. T. Jayanthi, Principal and Dr. N. Nithyanandhan, HOD/MECH.

"Webinar on Industry 4.0 And Career Prospects"

IETE ISF in association with IEEE, WIE, IEEE PES, IIC, IEEE TEMS had conducted a webinar on Industry 4.0 And Career Prospects by Dr. Sugandha Singh, Senior Member IEEE on 24.1.2022. In the session the speaker shared her views on the topic Industry 4.0 and Career Prospects and started the session by explaining about Industry 4.0 from Industry 1.0. She also explained about the IoT and cloud roles in future.. The student coordinators Dhanalakshmi, Akshaya, Divya Sri coordinated the event along with Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE.

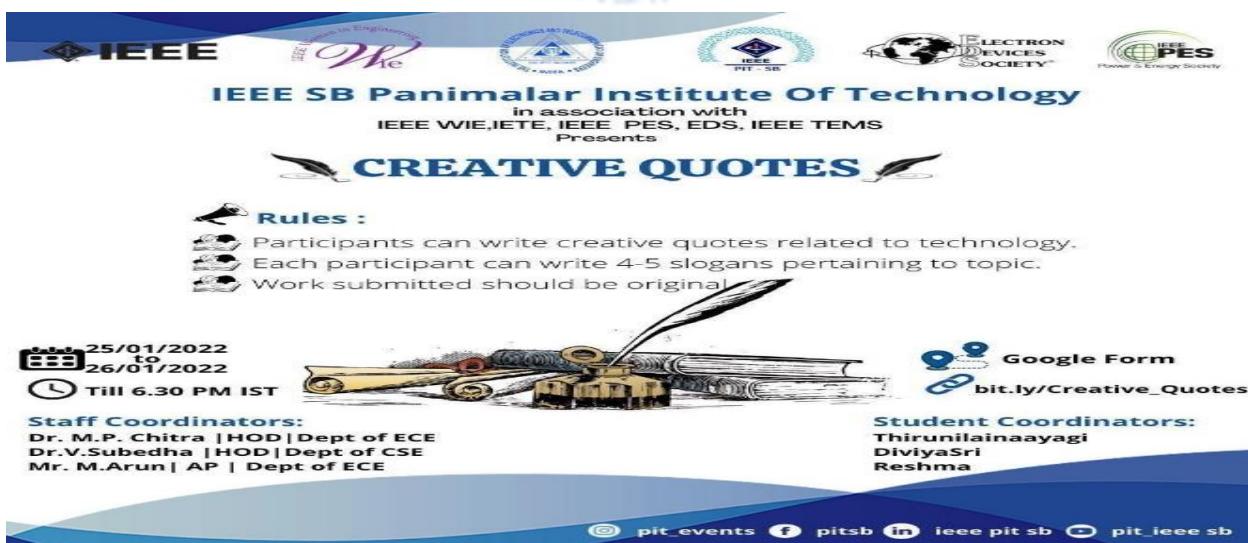

"Event on Manidhi Vaa"

IETE ISF in association with IEEE, PELS, IEEE CS, IEEE WIE had organized a Tamizh Pechupotti named Manidhi Vaa on 24.1.2022. In the event the participants were asked to speak on the topic Pennum Naveenam for minimum 2 minutes and maximum 5 minutes. Nearly 10 participants from various educational institutions attended the event. Abhinaya Sri. T from St. Joseph's College of Engineering secured first place, Varshini B from Panimalar Institute of Technology secured second place and Udhaya Priya E from Jaya College of Arts and Science and Sreshta B from Panimalar Institute of Technology secured third place. The Student Coordinators DiviyaSri, Reshma and Thirunilainayagi.T coordinated the event along with Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE.

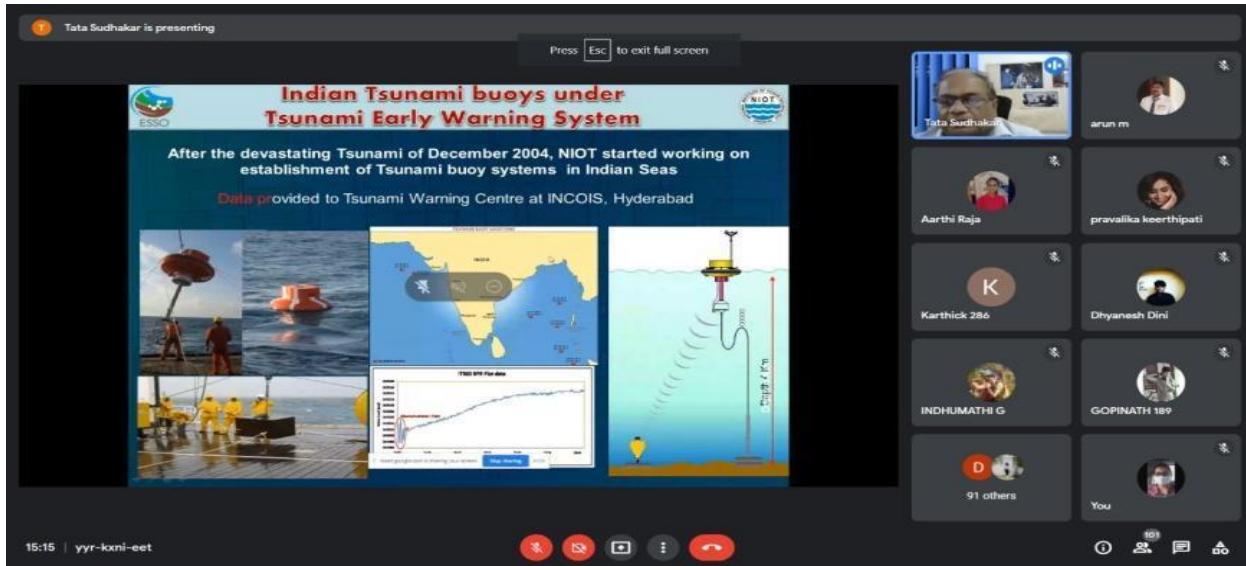

"Event on Creative Quotes"

IETE ISF in association with IEEE, EDS, IEEE PES and IEEE WIE organised an event Creative Quotes between 25.01.2022 - 26.01.2022. In the event the participants have to write creative original quotes of their own about Technology. Nearly 10 participants attended the event. The participants enthusiastically Participated in the event and showcased their creativity skills. Santhosh T from Bannari Amman Institute of Technology secured first place. Student Coordinators are DiviyaSri, Reshma and Thirunilainayagi coordinated the event along with Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE and Dr. V. Subedha, HODCSE.

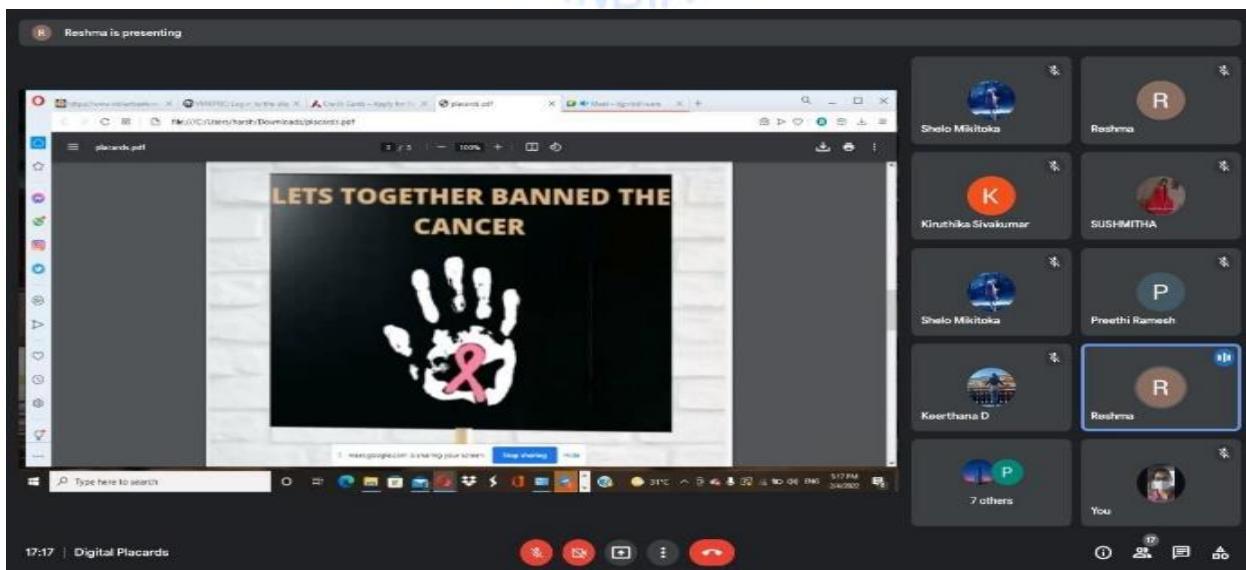

"Virtual Visit Cum Session on Opportunity in Oceanic Engineering for Electronics Students – NIOT"

IETE ISF in association with IEEE, COMSOCSP, RAS, EDS organized a Webinar on the topic Virtual visit cum session on opportunity in oceanic engineering for electronics students -NIOT on 27.1.2022. The session was carried out by our dignified Speaker Dr. Tata Sudhakar Scientist G, National Institute of Ocean Technology. Speaker talked about Marine Instruments and classification of oceanographic instruments. He also shared about NIOT and their motive. He motivated students to be active and come out of their comfort zone. Nearly 100+ Participants attended event. The student coordinator Aarthi coordinated the event along Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE.

"Event on Digital Placards"

IETE ISF in association with IEEE, WIE, IEEE PELS, IEEE PES organized an event on the topic digital placards on 4.2.2022. The event was organized to create awareness about cancer on world cancer day. Participants were asked to present their placards and share their thoughts on cancer and its prevention measures. Nearly 17 participants attended the event. The student coordinators Kiruthika, Gracina, keerthana and Reshma successfully coordinated the event along with staff coordinators Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE.

"Event on Comic Quiz"

IETE ISF in association with IEEE, IEEE TEMS, IEEE signal processing society organized an event named Comic Quiz on 11.2.2022. The event was organized to commemorate world day of sick. Some videos related to food, nutrition and environment were presented on the screen and questions were asked from the videos played where participants were supposed to answer the question from the list of choices given. Nearly 25 participants participated in the event enthusiastically. The student coordinates Shalini and YogaLakshmi successfully coordinated the event along with staff coordinators Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE.

The screenshot shows a video conference interface. At the top left, it says "Shalini is presenting". In the center, there is a question: "1) What did that man watch on the television?". Below the question are three options: "Cartoons", "Foods", and "News". On the right side, there is a list of participants in a grid format. The participants listed are: Thirunilainayagi T, Anagha Jayaraj, Sweatha Ramesh (with a note "foods"), Salla Ganesh (with a note "Food"), Gracina Shyrine (with a note "foods"), and Mohammed Ajmath (with a note "Foods"). The participant "Mohammed Ajmath" has a blue selection bar underneath their name. At the bottom of the screen, there are various video conference controls like volume, camera, and sharing.

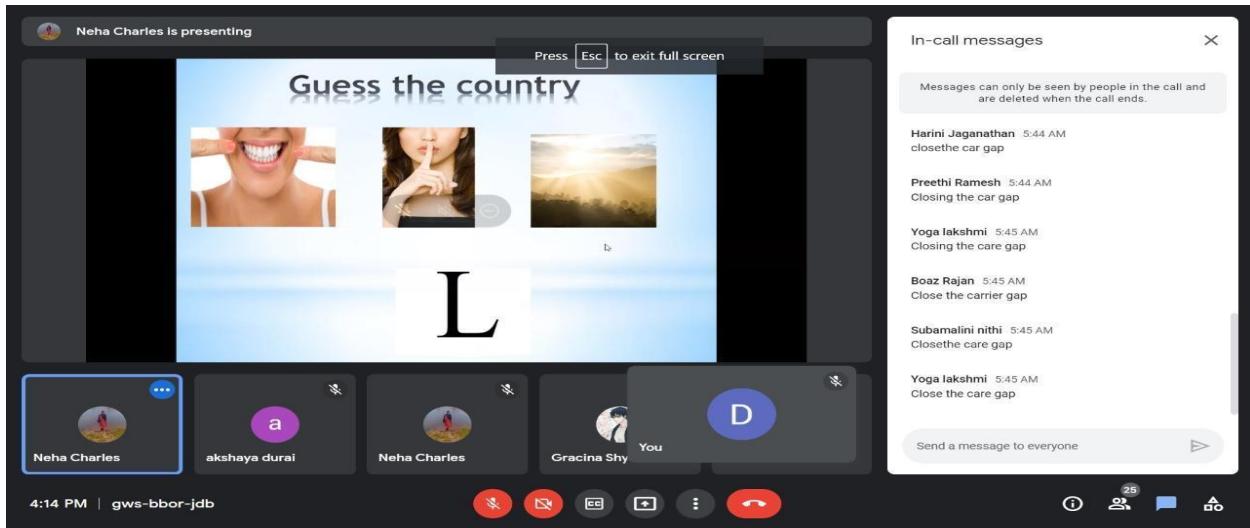

"Webinar on Latest Innovations and Technical Trends in Engineering"

IETE ISF in association with IEEE, IEEE PELS, TEMS, PES organized a webinar on the topic latest innovations and technical trends in engineering by Dr. Tushar Sharma, RF engineer at Renesas electronic, California on 12.2.2022. In his lecture the speaker included the points about technical improvements, latest innovation and also gave ideas about 5 G systems. Nearly 40+ participants from various educational institutions attended this webinar. The event was coordinated by student coordinators Akshaya, Aarthi and Sushmitha successfully with our staff coordinators Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE.

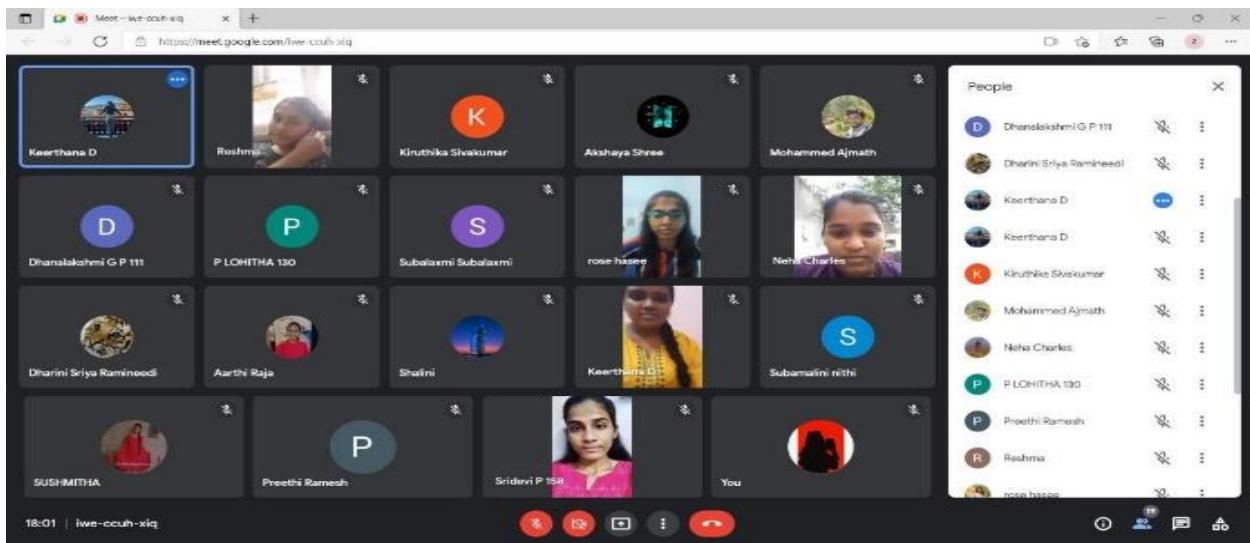

The screenshot shows a video conference interface. At the top left, it says "Tushar Sharma is presenting". The main area displays a presentation slide titled "Introduction". The slide includes a collage of images, the text "humanitarian life engineering", and the names of various universities and organizations. On the right side, there is a "People" panel. The participants listed are: SUBASRI V, Subhiksha CN, SUNIL N, SUSHMITHA, Thirunilainayagi T, Tushar Sharma, Tushar Sharma Presentation, VINOD KUMAR J, and Yuvanaja T. The participant "Tushar Sharma" has a blue selection bar underneath their name. At the bottom of the screen, there are various video conference controls.

"Event on Connexions"

IETE ISF in association with IEEE, EDS, IEEE CS, EMC, BTS had organized an event connexion on the occasion of international childhood cancer day on 15.2.2022 from 5.00 pm - 6.00 pm IST. Through google meet platform. Images were given as clues for identifying a particular word related to our society and the disease cancer. Participants were supposed to connect the given clues and identify the correct word displayed. Nearly 25 participants from various institutions participated in the event and the top three participants were selected as winners. The student coordinators Neha C L and Keerthana coordinated the event successfully along with the staff coordinators Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE

**"Event on Slido Quiz"**

IETE ISF in association with IEEE, IEEE WIE, PELS, PES organized a guest lecture on How to Become A Successful Entrepreneur. The event was held on 20.2.2022(5-6pm IST). The host conducted a quiz through the slido.com platform and there were 30 questions that are related world day of social justice. The event was so enthusiastic and the host gave a brief note on each question and explained the reason behind the correct answer. Nearly 30 participants took part in the event. The student coordinators keerthana and Haseena coordinated the event successfully along with staff coordinator Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE.

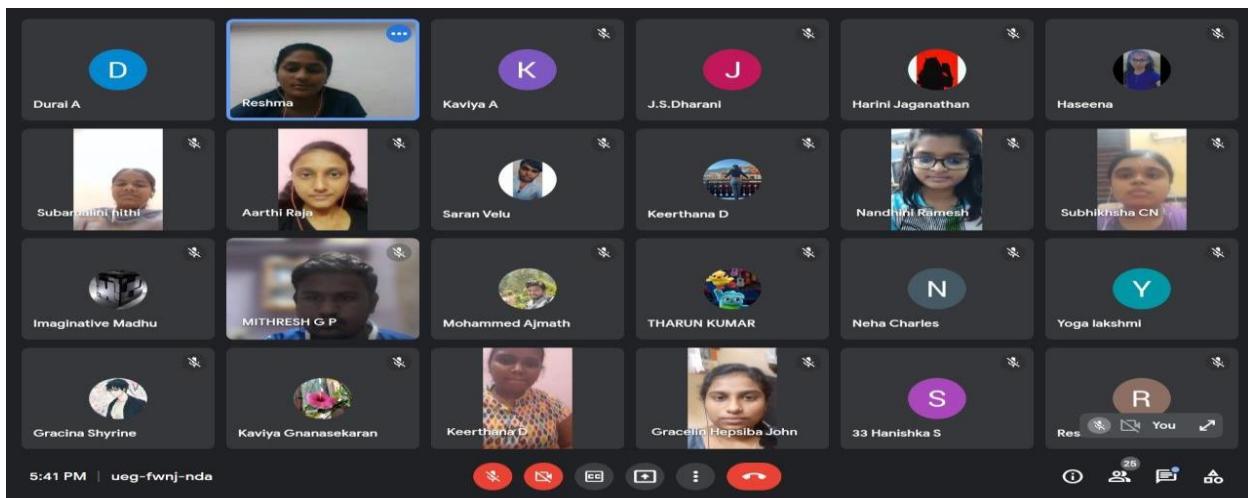

"Event on Mind Tentacles"

IETE ISF in association with IEEE, ICS, IEEE WIE have conducted a spectacular event mind tentacles on behalf of celebrating world scout day. The event was held on 22.2.2022 from 5:00 pm to 6:00 pm (IST). Questions were displayed on the screen and participants were given 30 seconds time and the top three participants who gave the correct answers first for maximum number of questions in the chat box were selected as winners. Nearly 30 participants from various educational institutions participated in this wonderful event. The student coordinators Preethi R And Jackho Amalarasi. C coordinated the event successfully along with the staff coordinator Mr. M. Arun, AP/ECE and Dr. M. P. Chithra, HOD/ECE.

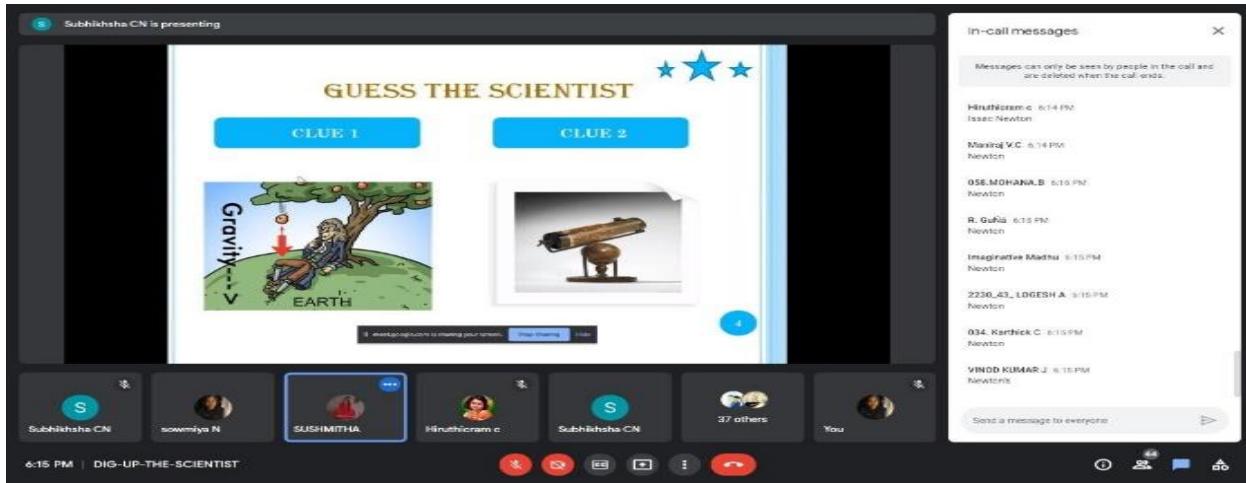

"Event on Jigsaw Puzzles"

IETE ISF in association with IEEE, IEEE TEMS, IAS organized an event Jigsaw Puzzles on the occasion of world sustainable energy day on 27.2.2022 from 6:00 pm - 7:00 pm IST. In this event participants were provided with the link of the puzzle and asked to solve the puzzle and present their result screen in google meet. Totally there were 10 questions and all the questions were related to sustainable energy. Nearly 30+ participants from various educational institutions attended the event. The student coordinators Reshma and keerthana successfully coordinated the event along with staff coordinator Mr. M. Arun, AP/ECE.

"Event on Dig-up The Scientist"

IETE ISF in association with IEEE, IEEE WIE, IAS, EMC has organized an event dig-up-the scientist on the occasion of national science day on 28.2.2022 from 6.00 p.m. - 7.00 p.m. Clues were given in the form of pictures. Participants were given 30 seconds to guess the answer and asked to type the correct answer in the chat box. Nearly 50 participants from various educational institutions participated in the event and the top three participants were selected as winners. The student coordinators Sushmitha m and Subhiksha C.N coordinated the event successfully along with the staff coordinator Mr. M. Arun, AP/ECE.

"One Week International Short Term Training Programme on Emerging Trends and Research Challenges in Deep Learning Applications"

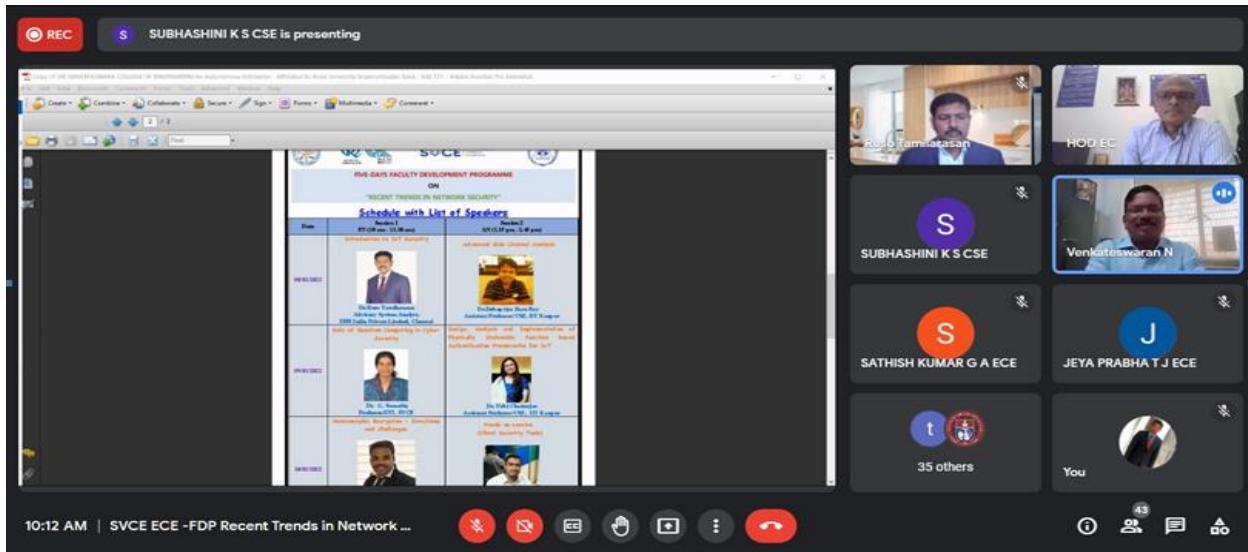

One week international short term training program (STTP) on Emerging trends and Research challenges was conducted by ECE dept., from 21 to 26.02.22. Six eminent speakers from various institutions across the globe were invited to give special talks on various emanating topics each day. On the First day of the program, Dr. S. Muthukumar, HOD/ECE addressed the participants and gave the welcome address. The speaker for the first day event was Mr. Shanthababu Pandian, AI & ML Architect, Cognizant Technology Solutions, London. Dr. R Gayathri, Associate professor/ECE, SVCE introduced the speaker. The speaker gave a special talk on the topic Influence of AI –ML and its inevitable role in the current digital world. The speaker started the talk by explaining the basics of AI, ML etc. and introduced the participants, through many videos and animations; to various possible applications where AI and ML can be used. The second day of the event was graced by Dr. Hemalatha, Professor, University of Technology and Applied science. Ms. R. Rajeswari, AP/ECE, SVCE, introduced the speaker to the participants. The speaker gave deep insights on the topic Transfer learning techniques and its applications. Speaker also conducted hands on session in which participants were introduced to how transfer learning coding is done with the help of python. Training program on the third day was on the topic, 'Deep learning research methodologies and applications'. Dr. R Gayathri, Associate professor/ECE, SVCE, was the speaker. Dr. K. Ashwini, AP/ECE, introduced the speaker. Speaker gave participants a profound understanding on many research challenges in the field of deep learning. Talk on fourth day of the STTP was again given by Mr. Shanthababu Pandian, AI & ML Architect, Cognizant Technology Solutions, London. 'A practical approach towards deep learning' was the topic of discussion. The speaker conducted an extensive hands on session describing various applications of deep learning approach.

Dr. Meenalosini Vimal Cruz, Assistant Professor, Georgia Southern University, was the resource person for the fifth day event. Ms. S. M. Mehzabeen, AP/ECE, SVCE, introduced the speaker. The speaker gave the talk on the topic 'Brain-Computer Interface: Challenges and Research Perspectives'. Various real time applications related to the topic was discussed followed by a hands on session. The final day of the event was on the topic 'Practical aspects of Text to Speech synthesis'. Dr. G. Anushya Rachel, Associate professor, Karynya institute of technology and science was the resource person. Mr. S.P. Sivagnana Subramanian, AP/ECE, SVCE introduced the speaker. The speaker gave the presentation for about one and half hour on the topics namely speech synthesis, text synthesis and speech to text conversion. Vote of thanks was delivered by Mr. S.P. Sivagnana Subramanian, AP/ECE, SVCE.

"FDP on Recent Trends in Network Security"

The 5 Day National Level FDP was organized in association with IETE Chennai Center for academicians throughout India by 08.03.22 to 12.03.22. Around 60 participants from various institutions attended and benefitted. Day 1, Dr. RUSO TAMILARASAN, Advisory Systems Analyst, IBM India Private Limited, Chennai gave a deep insight on IoT, its security issues, challenges and solutions. Dr. DEBAPRIYA BASU ROY, Assistant Professor, Department of CSE, IIT Kanpur gave a detailed analysis of Advanced Side Channel. Day 2, Dr. G.SUMATHI, Professor, Department of Information Technology, Sri Venkateswara College of Engineering gave talk on Quantum Computing and its role in cyber security. Dr. URBI CHATTERJEE, Assistant Professor, Department of CSE, IIT Kanpur spoke on design, analysis and implementation of physically unclonable function base authentication frameworks for IoT. Day 3, Dr. K.R.RAM KUMAR, Associate Professor, Department of CSE, Chitkara University, Punjab delivered a highly informative session on Homomorphic encryption and its challenges, Mr. K.R. MANIKANDAN, Technical Lead, EmbedUR, Chennai gave a hands on session on Client Security Tools. Day 4, Mr. Gokul Tirumalai, Senior Director – Marketing & Communications, Vlinder Labs Private Limited, Bengaluru gave a clear picture on Blockchain Technique & Dr. Padmalochan Bera, Assistant Professor, Department of CSE, IIT Bhubaneswar spoke on AI for Network Security. Day 5, Dr. N.M.Balamurugan, Associate Professor, Department of CSE, Sri Venkateswara College of Engineering spoke on Ransomware attacks & Dr. G.A.Sathish Kumar, Professor, Department of ECE, Sri Venkateswara College of Engineering spoke on Current trends in Network Security.

"MAKE-A-THON 3.0"

Make-a-thon 3.0 was organized by the ECE dept. in association with the Electronics and Communication Engineers Association (ECEA); Institution of Electronics and Telecommunication Engineers Student Forum of SVCE (ISF SVCE) and Robotics and Artificial Intelligence Club (RAIC) during 25.03.22 & 26.03.22. The event was open for the second, third and final year students. The Make-a-thon 3.0 challenged students to think out-of-the-box and offer innovative ideas to build smart applications which will help address major real time problems in our country. A total of 35 teams (104 students) registered for the event, out of which 22 teams were shortlisted based on the abstract submitted. The winners were awarded with a cash prize of Rs 3000/- for the first place, Rs.2000/- for the second place and Rs.500/- each for the third place. The judges of first round were Mrs. T J Jeyaprabha, Associate Prof., ECE; Dr. T Annamalai, AP, EEE; Dr.S Kumaravel, Associate Prof., EEE; Mr.P Arul, Assistant Professor, ECE; Dr.B Asvanth,AP, ECE; Mrs. A Indumathi, AP, IT; Mrs.B Sarala, AP, ECE and Mrs. R Kousalya, AP, ECE. The judges of second round were Mr.Rakesh Elamaran, Product Security Analyst, Temenos India Pvt Ltd.; Mr.Keshav E, Software Engineer; Mr.Prem Raj S, Junior Analyst, Cognizant ; Mr.Sudesh Kumar S, Machine Learning & Robotics Engineer, Red Mind Technologies; Mr.Santhosh S, PAT, ADM-CE Delivery, Cognizant Technology Solutions; Mr.Lokesh S, Software Developer. All the judges were encouraging and supportive to the participants and appreciated the organizing team for their efforts.

SRM Valliammai Engineering College, Chennai

"Industrial Visit on Embedded & Real Time Systems and its applications"

A Virtual Industrial Visit was arranged for our Final Year ECE students on Embedded & Real Time Systems and its Applications to Geek Wave Solution, Chennai on 05.01.2022 from 6.30 P.M to 7.30 P.M. Frequency plans and standards adopted by various countries with the guidelines of Federal Communications Commission (FCC) were also explained. The event was concluded with a live demonstration of embedded home automation with respective network configuration, cloud system, and the microcontroller components. The event was successfully organized with support of Dr.Komala James, Professor & Head ECE.

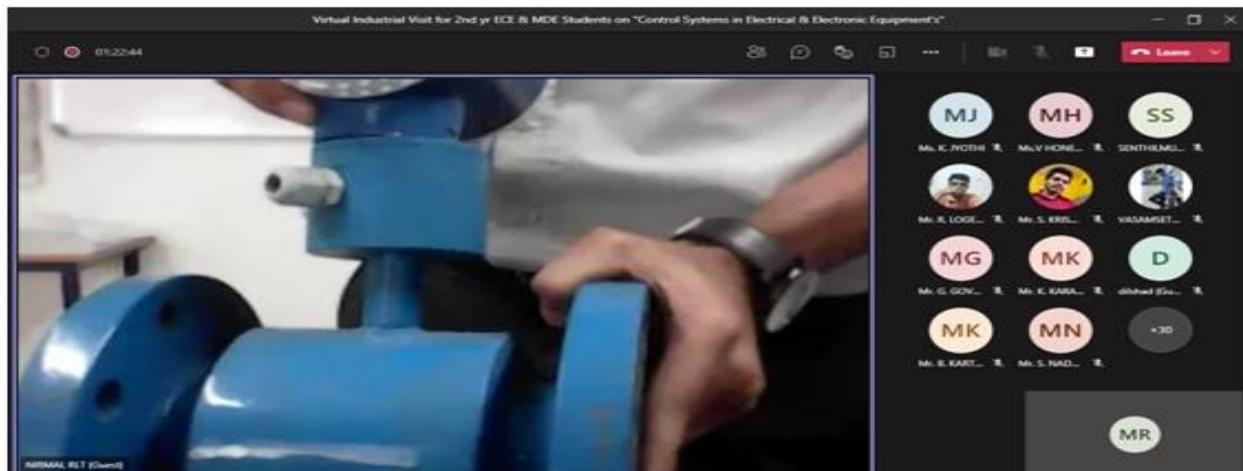

"Industrial Visit on RF Systems and its Applications in Communication"

A Virtual IV was arranged for our Third Year ECE & MDE students on RF Systems and its Applications in Communication to Entuple Technologies, Bangalore on 08.01.22. The resource person Mr.K.Karthikeyan, Application Engineer, Entuple Technologies, explained the design of high frequency components using High Frequency Structure Simulator. He gave brief explanation about finite element method using Maxwell's equations to solve any kind of geometrical structure such as rectangular, circular waveguides, coupler components, micro strip patch antenna and its corresponding electric and magnetic field patterns. He has shown the antenna evaluation parameters such as gain, return loss, E-field & H-field patterns with the help of animation. The various types of antennas like fractal antenna, conformal antenna, Radar Cross Section antenna, antenna arrays structure and the importance of antenna placement on a Fighter plane which is used in defence application was briefly explained. The event was successfully organized with support of Dr.Komala James, Professor & Head ECE.

"Industrial Visit on Embedded & Real Time Systems and its applications"

A Virtual Industrial Visit was arranged for our Second Year ECE & MDE students on Control Systems in Electrical and Electronic Equipment's to RLT Instrumentation Pvt., Ltd., Chengalpattu on 20.01.22. The resource person Mr.T.Nirmal Mathew, Project Coordinator, RLT Instrumentation Pvt., Ltd., explained the various types of analysers such as Chlorine analyser, Turbidity analyser, Dissolved Oxygen analyser and explained the importance of Online water quality analyser for environment monitoring system which measures the water quality in source waters during the treatment processes to detect the contamination and to improve the distribution system operations. Also he briefed the Ultrasonic level transmitter and Hydrostatic level transmitter. He then gave a live demonstration of the Ultrasonic level transmitter unit by feeding a sound wave at a frequency range of 40 KHz which travels through the air and received it by a sensor. The event was successfully organized with support of Dr.Komala James, Professor & Head ECE.

"Seminar on RF for Future Wireless Communications"

ECE dept. conducted Seminar on RF for Future Wireless Communications for ECE students by Ms. R.M. Senthil Priya, Assistant Professor-ECE, R.M.D Engineering College, Chennai on 16.03.22 via online mode in association with IIC, ISTE, IETE student's forum & SRM VEC CSI student branch. Mr.R.Dhananjeyan, Assistant Professor(O.G) delivered the welcome address. About 127 participants were participated in that seminar. The students interacted and their doubts were clarified by resource person. This seminar was completed successfully by Mr.S.Mari Rajan, Assistant Professor (Sr.G) under the guidance of Dr. Komala James, Professor & Head of the ECE.

"Seminar on Medical Image Analysis"

Seminar on Medical Image analysis by Dr. E. Priya, Professor, Sri Sairam Engineering College was conducted on 23.03.22 via online mode. The welcome address was given by Dr.J.Mohan, Associate Professor(O.G).The speaker, delivered seminar on different image storage techniques. About 127 participants were participated in that seminar. The students interacted and their doubts were clarified by resource person. This seminar was completed successfully by Mr.S.Selvaraj, AP under the guidance of Dr. Komala James, Professor & Head ECE.

IETE Chennai Centre Newsletter

Guidelines

Event Announcements

Events organized with IETE tag which includes IETE ISF activities, IETE Chennai Chapter activities which are directly organized / co-organized or technically sponsored or any other association with IETE, shall be informed to IETE Chennai Chapter in the mail id ietechennailink@gmail.com.

Event Reporting for News Letter (NL) Publishing

Please follow the guidelines given below for reporting events to be published in the newsletter through IETE Chennai LINK

Report only the events organized by IETE (technical / financial). Avoid reporting events that are irrelevant for publishing in IETE Chennai centre Newsletter.

Only ISF Coordinators shall report the consolidated events organized in a college. Newsletter reporting of a particular month shall be submitted before 5th date of next month.

Use SINGLE column format and the content may be in .doc / .docx formats only.

It is preferred to have a picture associated with the event. DO NOT embed the photograph in the report document. Send three relevant photo separately, in .jpg format, clearly indicating the photo corresponding to which event in case of multiple events being conducted and reported in a calendar month.

The size of photo shall not exceed 1MB (1024 x 1024 pixels max.); you may do necessary cropping / re-sizing, but ensure that the information is not lost and clarity is preserved.

Send the NL contents by email with the subject “IETE ISF Activity Report of < College name in short, Location> for < Month > <Year >” Example: IETE ISF Activity Report of SVCE, Sriperumbudur for April 2021.

Send the NL contents by email ietechennailink@gmail.com.

Individual events report should be submitted after successful completion of the event in the following link. <https://tinyurl.com/IETECHENNAILINK>

Pl. co-operate with us by adhering to the guidelines specified. Please note that the reports not adhering to these guidelines will not get published. The Editorial reserves right to do editing as required for clear publishing of reports.

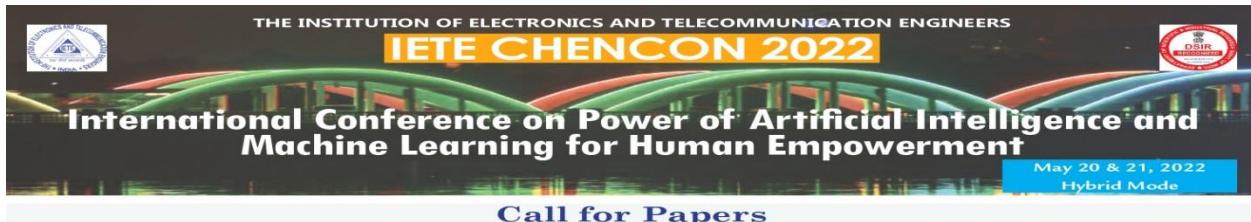

Template for the Event reporting for IETE News letter

(Font Size Arial: 11)

Format for filling the information,

Event Name			
Centre (name)			
Venue (College/Institute)			
Date & Time			
Chief Guest			
Topic of Chief Guest Speech & Highlights (Max. 25 words)			
Important dignitaries attended			
Brief Report including above information (Max. 200 words for Centres/ Sub-Centres & 75 words for ISFs)			
Photographs (Max. 3) with short captions (Resolution : 300 dpi, format: jpg)			
Photograph	Photograph	Photograph	

Announcement

About IETE

Founded in 1953, the Institution of Electronics and Telecommunication Engineers (IETE) is a leading professional society. Its vision is to reach the unreached and empower the youth through Technical Education and Skill development with a Mission for Advancement of Electronics, Telecommunication, Information Technology & other related disciplines; to contribute in Nation's Human Resource & Infrastructure Development through our Engineers & Scientists. The Government of India, Ministry of Science and Technology, Department of Scientific & Industrial Research has recognized IETE as a Scientific and Industrial Research Organization (SIRO).

Scope of The Conference

Recently, the use of AI/ML technology has been exponentially increasing in our daily lives. AI/ML applications represent an important evolution in computer science and data processing that is quickly transforming a vast array of domains. IETE CHENCON 2022 provides vibrant opportunities for the delegates to exchange new ideas, applications, practical challenges encountered and to leverage AI and ML technologies. The technical program of the conference will consist of invited key note talks and paper presentations. IETE CHENCON 2022 accepts technical paper presentation from research scholars, faculty, students and industry professionals in emerging areas of AI and ML applications but not limited to:

Track - 1: AI Enabled Technologies

- Advanced Robotics
- Intelligent Drones and UAVs
- Natural Language processing
- Speech Recognition
- Image Processing
- Conversational systems
- Image analysis
- Computer vision
- Face and Gesture Recognition
- Object recognition
- Document analysis
- Earth observation and Visualization
- Weather and Climate prediction
- Localization Techniques
- Ethical and Responsible AI

Track - 2: AI/ML Infrastructure

- Enhanced data visualization
- Data Preparation
- Data labeling
- Big data
- Edge devices
- Cloud ML platform
- Artificial health and well being
- Prediction/Detection of diseases
- AI for Effective treatment/therapy
- 3D imaging and sensing
- ML/AI for autonomous systems
- AI and ML for Healthcare
- AI and ML Pandemic tracking
- AI and ML for Virtual learning
- Physics inspired ML

Track - 3: Emerging Applications of AI in Communication

- AI/ML in the PHY Layer
- AI and machine learning for 5G
- Propagation at mm Waves and THertz
- Beyond 5G & 6G communications
- New modulation and coding techniques
- Antenna array processing
- AI/ML for wireless/optical/satellite networks
- Reconfigurable Intelligent Surfaces
- Detection, Localization
- Radio Network Traffic Prediction
- Mobility Analytics
- Smart Communications
- MIMO and Multi antenna Beamforming
- Microwaves and Antenna
- THz Sensing and Spectrum

Track - 4: Industry Applications of AI

- Factory automation
- Autonomous driving and V2X
- Internet of Things Analytics
- Cryptography
- Energy Management and Analytics
- Smart farming environments
- Quantum Computing
- Cybersecurity
- Cryptocurrencies
- Smart Cities Based on IoT and AI
- Industry 4.0
- Underwater Technologies
- 6G, Augmented /Virtual Reality
- VLSI designs of AI implementations
- AI/ML Chipsets

Submission Guidelines

Prospective authors are invited to submit full papers describing original, previously unpublished, complete work in four pages in A4 IEEE double column conference format including figures, tables and references. Submitted papers will be reviewed by two to three technical committee or reviewers. Accepted and registered papers of IETE CHENCON 2022 will be published in the conference proceedings. Extended version of the accepted and presented papers will be recommended for publication in IETE Journals, SCOPUS, SCI and other indexed journals. Authors must submit the papers through their Easy chair account using the following link: https://easychair.org/conferences/?cont_ietchencon2022 or submit the papers to the Email ID: chencon2022@gmail.com

Registration Fee & Details

At least one author for each paper should register for the conference. If an author has more than one accepted paper, registration fee has to be paid for each Paper ID.
 IETE members including ISF : Rs. 1500 + GST
 Non-IETE members : Rs. 2500 + GST
 International Participants : \$50

Important Dates

Last date for paper Submission: 06.05.2022
 Notification of Acceptance: 10.05.2022
 Registration on or before: 15.05.2022
 Conference Dates: 20.05.2022 & 21.05.2022
 For more details please visit: <http://ietechennai.in/events.html>

Selected and presented papers will be published in the Journal of Science and Technology (ISSN 2456–5660)
